questions

Where will we stay? There is a mission house available with private rooms for couples and shared rooms/bunks for others.

There is a cook who will make our meals as well.

What's the weather going to look like? It will be WINTER there, so it could get as low as the 40s at night. Pack accordingly, and make sure to bring a jacket!

What should we wear? Modest clothing, please. No spaghetti straps or short shorts. Dresses or skirts for the ladies during formal ministry times, but more casual when we're interacting with kids.

Can I bring anything for the kids?

Yes! Candy, soccer balls, crafts like necklace/bracelet supplies, school supplies, and gently-used clothing.

Will I need any vaccines? No, just make sure your Hep. A + B and tetanus are up to date. Also, ask your doctor about malaria medication.
