

Advent READINGS

Read daily in print or in the Bible app together. Have younger ones at home who might not be ready? Grab a copy of the Jesus Storybook Bible and find matching days where you can read the same verses/story. Then, use the prayer from Everyday Gospel Christmas Devotional. Even if some of the words may be at a higher level than your child's current understanding, that's okay! You are modeling that time of prayer and time with God and His Word.
