

Dear Mt. Bethel,

My name is Brian McNeely, and I am the Chair of the Finance Committee. My wife, Caroline, and our three children, Jake (14), Julianna (12), and Grace (10) attend Mt. Bethel Church. Caroline and I have been blessed to raise our family in such a wonderful church. You may have seen me frequently ushering, or maybe you led my kids through a week of VBS when they were younger. We're a multi-generational Mt. Bethel family, also, as Caroline's mother sings in the Choir. That's one of the great things about our church—there are so many ways to get involved, to serve, and to live out your faith.

On behalf of the Finance Committee, we are grateful for your faithful support of Mt. Bethel Church. God's provision and your faithful stewardship make everything that's done here possible. Your gifts support the physical space where we worship and disciple believers. Your tithes and offerings pay the salaries of our dedicated staff who lead our children and students to faith. Your donations support our Missions partners, and your regular giving upholds our worship experience with music and more.

God has surely been faithful to Mt. Bethel when we think about all the good fruit produced from your gifts. Please reflect on God's blessings in your own life. God's grace to us, and our gratitude in response, is the starting point for our faithful giving. Pray about what you can give to help Mt. Bethel [finish strong in 2022](#) and how you will steward Mt. Bethel through regular giving in 2023.

Our ministries will create budgets for 2023 based on your financial support. Please prayerfully, faithfully, and freely commit your offerings for 2023. By letting us know how you will commit, we can plan responsibly. [Commit here](#) or you may contact Mt. Bethel Church to request a pledge card at 770.971.2880.

We thank you and commit to using your generosity responsibly for the glory of God.

In Christ,
Brian McNeely – Chair of the Finance Committee
