

Magic Music Makers

with music teacher Ms. Louanne Crosby

Tuesdays or Thursdays 12:30pm-1:30pm- \$195- Older 3's, 4's and 5's

Magic Music Makers is a hands-on, toe-tapping, creative discovery day class designed for children who want to sing, have fun, and explore their creative potential.

Children create crafts that are filled with MUSICAL FUN! Whether we are crafting musical props or instruments, everything is designed so that your child can take their creation and continue the fun at home.

Examples of our music crafts include Frosty the Snowman Hat Shakers, Candy Heart Maracas, Bear Hunt Drums, Easter Egg Shakers, Wind Chimes and much more!

In addition to all music crafts, participants will receive a CD of Magic Music Maker songs at the end of the fall session to continue the fun long after our discovery day class is over.
