Fun Spanish Camp for Kids – Register Now!!!

Coming this summer at Mt. Bethel Pre-school “Play and Have Fun with Spanish” for ages 3 to 6.

Play and Have Fun with

Spanish is a wonderful way to learn the Spanish language by playing fun games while having a great time. For my little ones who have already been introduced to the language, this program will reinforce what they have learned by continuing to listen and practice the language. For my little ones who are beginners, this program will show them how much fun it is to play and learn the Spanish language while having a great fun time.

Play and Have Fun with

Spanish is all about having fun by playing games, treasure hunt, animal day, customs day, fiesta day, beach day and much more – all of them include making projects and reading stories every day with the intent of seeding the basics of the Spanish language early on in the kids’ developmental stage. This program offers an excellent opportunity to get that process going. Children will need to bring a snack and drink each day and wear comfortable cool clothing and tennis shoes to play outside.
