JESUS
— IN —
ATHENS

Movie Night at RBC
This Sunday at 4:30 pm
(new earlier time)

Dear RBC Family,

This coming Sunday evening at 4:30 pm (note the time change), we are going to be viewing an excellent documentary film entitled, “Jesus in Athens.” In 2015, migrants, mostly Muslim, streamed out of Syria and other war-torn parts of the Middle East and they began to settle in Europe. Most of them entered through Greece. They were told that Christians would hate them and reject them. But something miraculous happened. They found that the Christians showed them the love of God—entertaining strangers, demonstrating hospitality, and rejecting fear. Migrants began to have dreams of people telling them an important message about Jesus, and many were saved. Churches began to organize, and revival has broken out among the newly converted. This documentary is the story of a miraculous move of God in our day.

Join us this Sunday evening as we hear what the Lord is doing in our day, and how we might be more informed as we pray for Gospel advance in our generation.

With love as your Pastor,

Travis
