Words From Wells...

Thank you to everyone who had a part in the worship time and the potluck lunch for this past Sunday. It was such a blessing for me to have everyone together in one large group, and it was a blessing to have all the instrumentalists involved and all the singers involved all together. I believe that we glorified our Father with the music, and that we encouraged one another in the music also! Yes, thank you to all the ones up front, but thank you to all the ones in the congregation and for your wonderful singing! You were a great blessing to me!

Thanks also to everyone who brought food and shared that as we ate together after the worship service. I have missed church potlucks. I sure enjoyed this one, and I look forward to having more of them! Thanks to Kathy and Gracie and others who helped set things up before the lunch, and clean things up afterwards. You ladies are wonderful!

I am so thankful to be a part of this family called Richland Baptist Church!
