Welcome to Our Savior's

A special shout-out to the "Triple M" or "M-a-M" crews of Matt, Max and Abby Zarling as well as Mark Zick for helping to cut the grass on our grounds each week keeping it looking nice and pretty!

We also want to thank all those who have volunteered to tend to an area of the grounds for weeding. It takes all of us helping to steward the campus we are blessed to have at OSLC!

From the Pastor

Dear OSLC Family,

Coaches on all levels can offer some of the most profound insights and wisdom. Shaka Smart, coach of the Marquette men's basketball team, recently gave the simplest definition of culture I've ever heard: "Culture is simply how we act, interact and respond. That's it. Our job is to bring it to life, and the most important component of that is the people in our room." Culture isn't necessarily about mission statements or fancy posters. It's about character (*how we act*), partnership (*how we interact*) and resilience (*how we respond*). "Being church both in and after church" isn't just a motto or slogan; **it's a reminder of the culture in Christ we are building together.** It takes all of us working together bringing what we do here to LIFE!

Speaking of culture building, we will honor Dwayne Schied at worship Sunday who has served as our Treasurer for the last 20 years! We are grateful for all his work, contributions and positive attitude in helping us grow a healthy financial culture. May he enjoy the full blessings and peace of retirement with Karen, Barkley and his entire family. Come offer a word of thanks to him at worship on Sunday!

Thought for the week: "The best and most beautiful things in the world cannot be seen or even touched; they must be felt with the heart." ~ Helen Keller

With you a Christian. For you a Pastor.
PJ

OSLC Walking Group!

Come join us Mondays at 9:00am! Folks are invited to meet at the public parking lot across from Gary's Place as we will walk the Eisenbahn State trail for 45 minutes - 1 hour.

All ages welcome! Come socialize while we do something good for our bodies! Any questions please contact PJ or Amy Hearne.

Many churches put together cookbooks sharing beloved family recipes. We hope to put together a prayer recipe book where writers share beloved prayers, scripture verses, church hymns or verses that have had special meaning for them feeding them through the years.

Everyone is invited to participate in this special ministry! Children and young people are invited to write as well. As in the past, we will not link names to the devotional pieces. They will be anonymous. 400 words or less.

The week of July 6, when Pastor Jim was at Imago Dei Village Crossway Camp he wrote, "It is vitally crucial for us to support these camps and our young people's faith formation."

Imago Dei Village, on Long Lake near Clintonville, is one of three Crossways Camping Ministries (CCM) in Northeastern Wisconsin, rooted in the ELCA. Here, young people deepen their understanding of faith through experiential learning, community outbuilding and outdoor activities, complementing their regular confirmation studies. A multi-site outdoor ministry organization, CCM also operates Pine Lake Camp in Waupaca and Waypost Camp on Mission Lake near Hatley, WI. CCM receives support from three Wisconsin ELCA synods: our Greater Milwaukee Synod, the East Central Synod of Wisconsin, and the South Central Synod of Wisconsin.

We are encouraging folks during July and August to bring pancake mix and/or syrup
