

## Healing of Chronic Diseases

1

Approximately 80% of all chronic diseases have a spiritual root cause.

Therefore, we must deal with the root issues, causes, and works of diseases and syndromes.

Most spirits of sickness, disease, and infirmity work with and enter with a demonic spirit.

2 Cor. 2:10 - 11 If you forgive anyone, I also forgive him. And what I have forgiven—if there was anything to forgive—I have forgiven in the sight of Christ for your sake, in order that Satan might not outwit us. For we are not unaware of his schemes.

6

Paul warns us not to be outwitted, referring to the fallen angels and demonic spirits methods, mythologies, and practices.

- Methods are procedures accomplishing or approaching a false system or practice.
- Mythologies are beliefs to false religions (groups/Masonic Lodge) or cultural traditions.
- Practices are the actual application, the carrying out of.

to afflict the human body with diseases  
and infirmities. (Source Fallen Angel)

10

As nouns the difference between disease and infirmity is that disease is the causes (root/origin) and effects (result/consequence)—an abnormal condition of the body or mind that causes discomfort or dysfunction. (Healing/Deliverance)

11

While infirmity is feebleness, frailty or ailment—however it is bondage or chains—physically and or in the soul (error arising from weakness of mind). (Deliverance Only)
