The Scroll

Was Full

And I saw in the right hand of Him who sat on the throne a scroll written inside and on the back,

sealed with seven seals

In addition to Dan. 7:13-14 and Ezek. 2:8-10, John's vision may draw from other Hebrew prophecies as well. Such allusions and literary connections would have been familiar to his audience – even expected.

"And [this] entire vision will be to you as the words of a sealed book, which [people] give to one who is learned, saying: Please read this; but he says: I cannot! for it is sealed." (Isa. 29:11)

JESUS- Lion and Lamb

*"Jesus conquered not by force
but by death, not by violence
but by matrydom. The Lion is
the Lamb*

- C. Keener

5

Who is this Lion of Judah who alone can open the scroll? The surprising answer – he is a slain Lamb.

**"And I saw in the midst
of the throne and the
four living beings, and in
the midst of the elders,
an apparently slain
Lamb standing. And it
had seven horns and
seven eyes, which are
the seven Spirits of God
sent out into all the
earth." (Rev. 5:6)**

7 Eyes of the Lamb

The 7 eyes, perfect sight, eyes that range over the whole earth missing nothing.

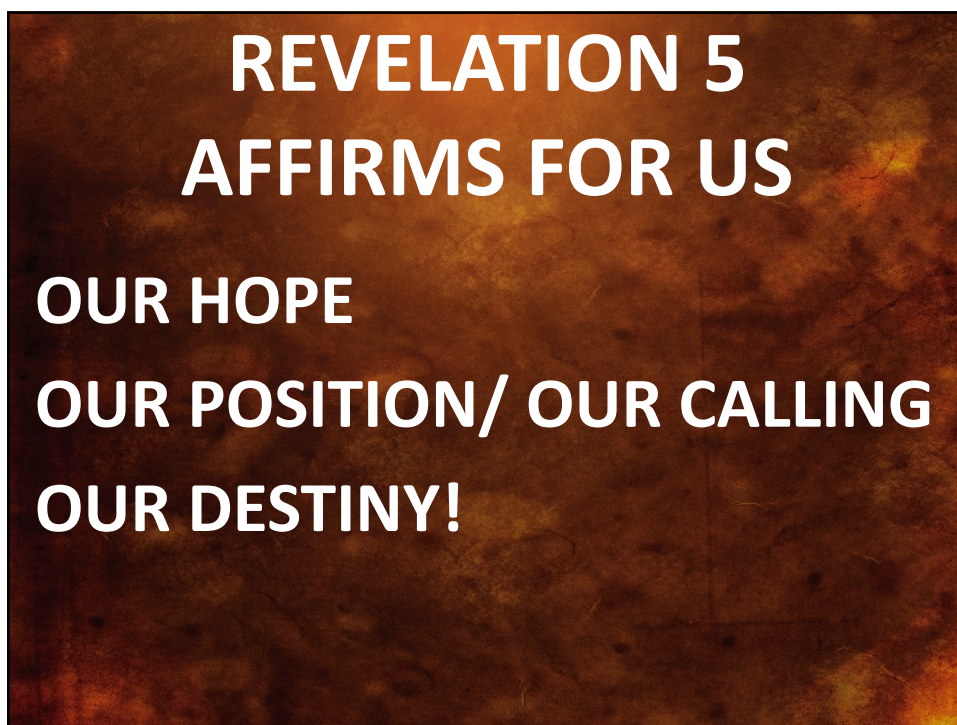

- *Jer 16:17- For My eyes are on all their ways; they are not hidden from My face, nor is their iniquity hidden from My eyes.*
- *2 Chron 16:9- For the eyes of the LORD run to and fro throughout the whole earth, to show Himself strong on behalf of those whose heart is loyal to Him*
- *Zech 4:10- For these seven rejoice to see The plumb line in the hand of Zerubbabel. They are the eyes of the LORD, Which scan to and fro throughout the whole earth."*
