

TRANSITIONS

- *Success or failure in life is often determined by how we handle the transitions of life. This is true individually, as an organization, as a church body, as a business entity, and as a government.*

TRANSITION IS NOT ALWAYS EASY

“The trauma of the traveler who dares to transition”

But transition is always necessary for growth.

Transition is necessary for further transformation

TRANSITION FROM KINGDOM OF DARKNESS TO THE KINGDOM OF LIGHT

- The things that use to entertain you now offend you
- The things that use to draw you now appall you
- The people you once looked up to because of their popularity you now are not interested in.
- You are in transition.
