4 Means of Deception by the Enemy

**#1– the deception
that being “good” and
“doing good” is equal
to being a true
Christian and being
right with God**

3

*Here's the deception that's
damning millions:
Satan has convinced people that
morality equals spirituality. That
being a “good person” is the same
as being a Christian. That if you
just live right, treat people well,
and avoid the “big sins,” you're
acceptable to God. This is a lie
straight from the pit of hell.*

4

Satan doesn't care if you're a "good person." He doesn't care if you volunteer at the food bank, recycle your trash, and help old ladies cross the street. He doesn't care if you're kind, generous, and well-liked by everyone in your community. He cares that you don't bow the knee to Jesus.
