

1

**THE ROOF
MEANS
COVERING**

- A roof decides what has access.
- It establishes rule over the house.
- Consecration is the roof over your life.
- A praying house needs a covered life.

2

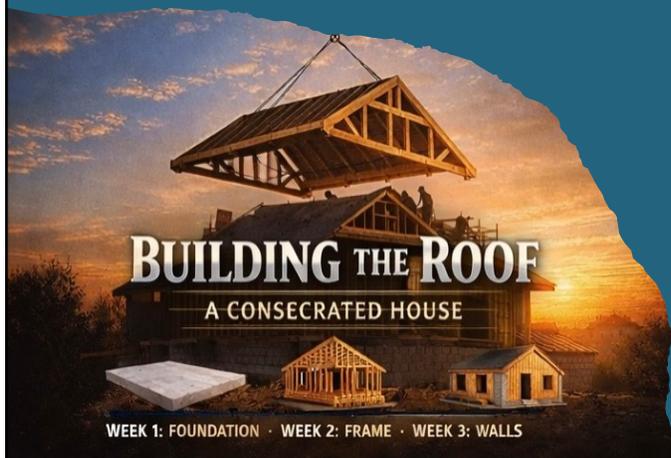

WHAT'S REALLY HAPPENING IN DANIEL 1

- Not mainly food, but formation.
- Babylon retracts quietly.
- It changes what feels normal.
- Consecration refuses agreement.

3

FORGIVENESS VS CONSECRATION

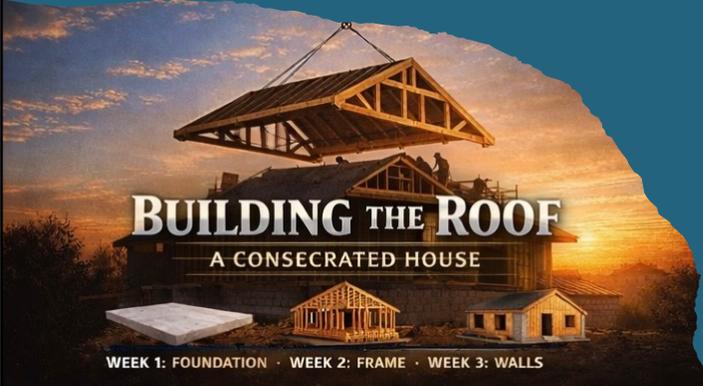

- Forgiveness restores relationship.
- Consecration orders your life.
- Forgiveness brings you home.
- Consecration keeps you set apart.

4

WHAT IS DISCIPLING YOU INSIDE THE HOUSE?

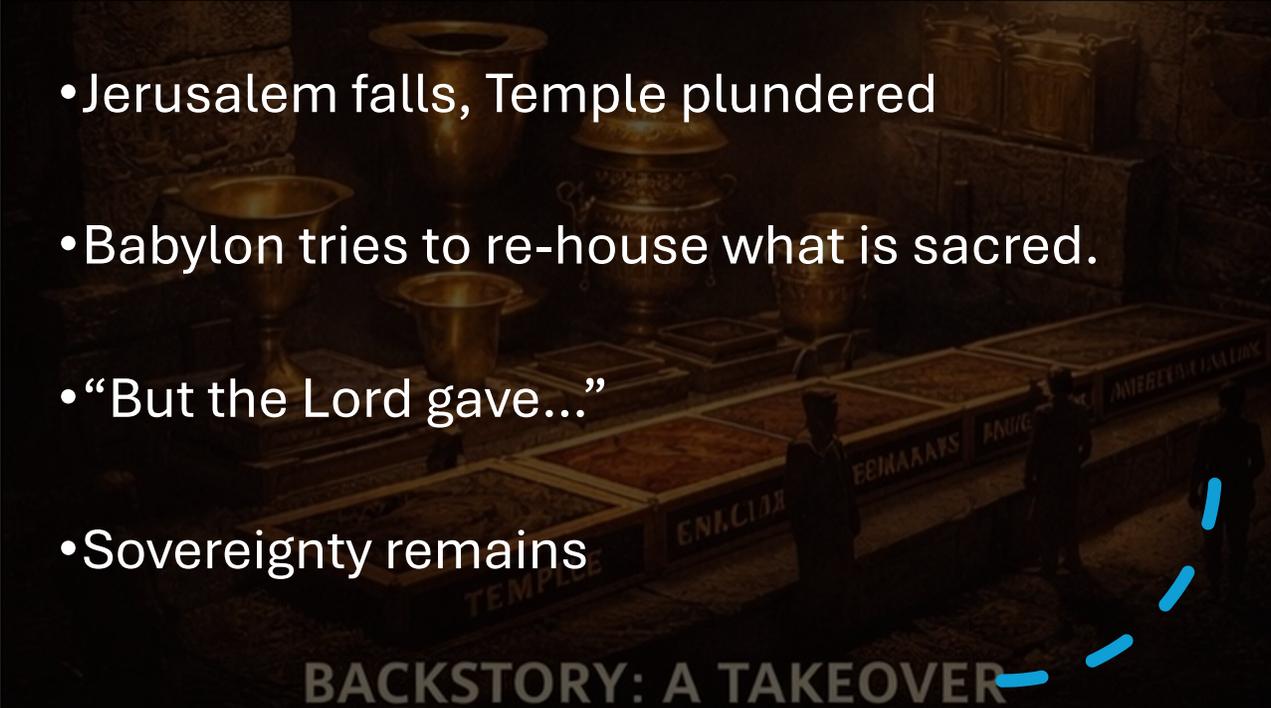

- What is discipling you right now?
- What is training your thinking?
- What is pulling your appetite?
- What is becoming normal?

5

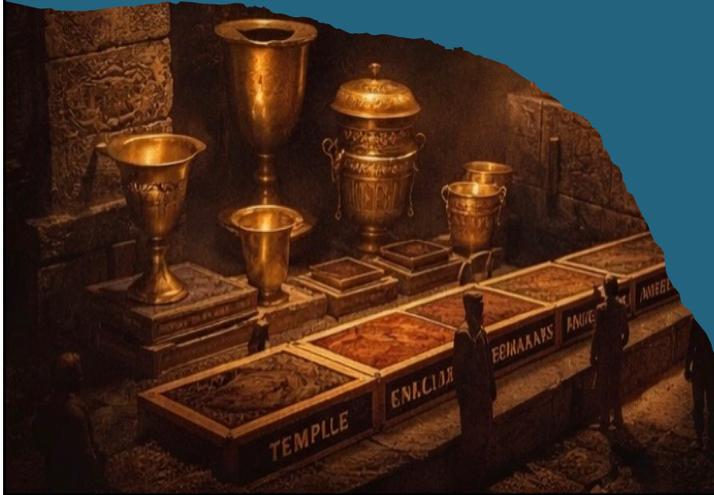

- Jerusalem falls, Temple plundered
- Babylon tries to re-house what is sacred.
- “But the Lord gave...”
- Sovereignty remains

BACKSTORY: A TAKEOVER

6

YOU CAN BE IN BABYLON

- Exile changes location, not covenant.
- Gods throne doesn't move with your season.
- Babylon is loud, God is sovereign.
- Covering lets you endure without bleeding.

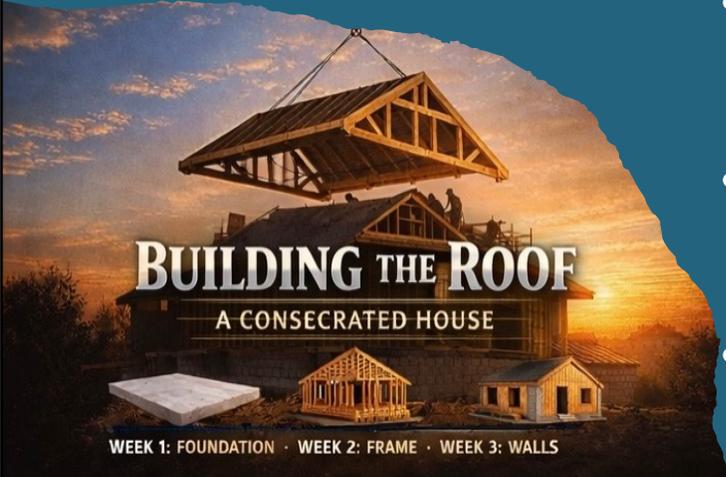

7

- Relocation: new environment.
- Education: new categories of thought.
- Renaming: new identity labels.
- Appetite + time: slow normalization.

BABYLON'S PIPELINE

8

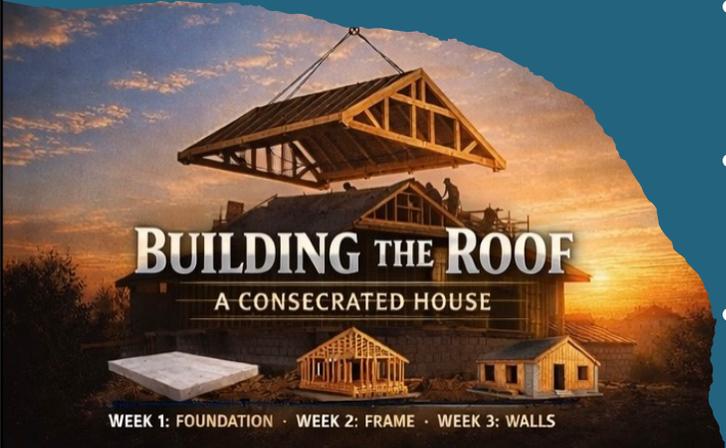

POINT 1: INTERPRET THE CRISIS RIGHT

- Circumstances preach defeat.
- Scripture reveals God governing.
- Despair produces compromise.
- Trust stabilizes consecration.

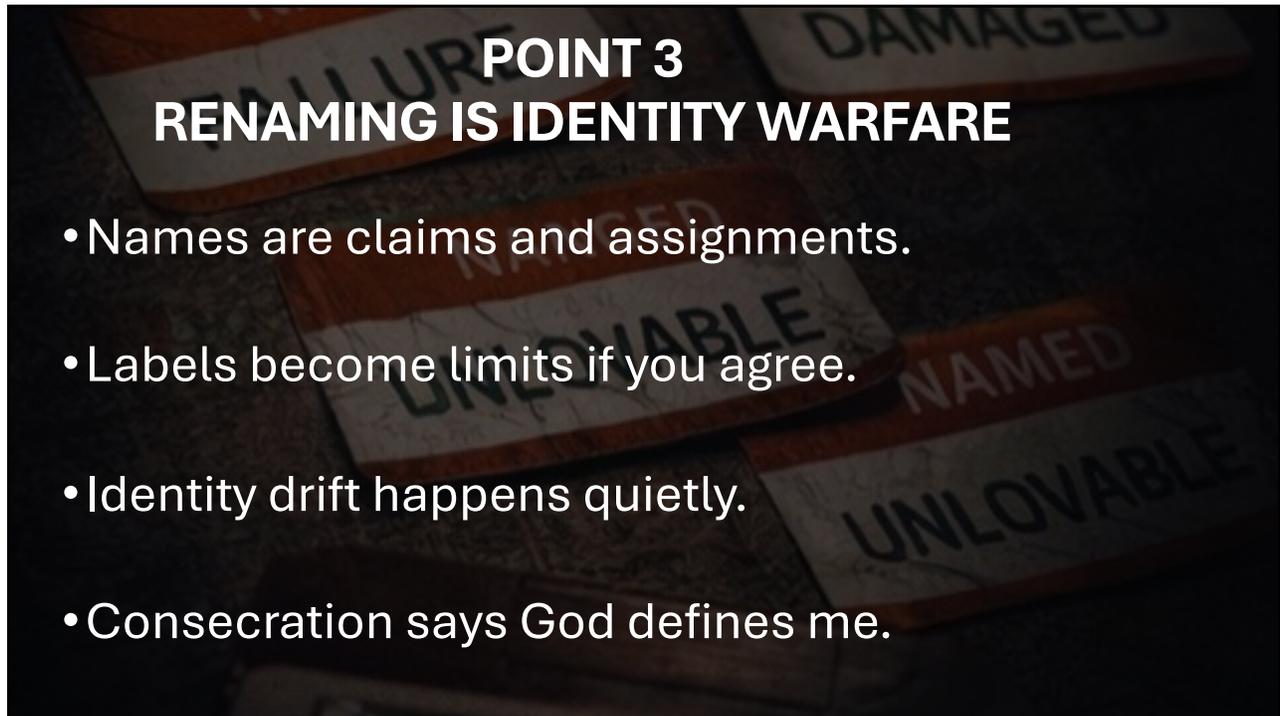

9

POINT 2 FORMATION BEFORE FORCE

- Babylon targets potential and influence.
- Worldview training reshapes values.
- Time produces slow agreement.
- Neutral is a myth, something forms you.

10

POINT 3

RENAMING IS IDENTITY WARFARE

- Names are claims and assignments.
- Labels become limits if you agree.
- Identity drift happens quietly.
- Consecration says God defines me.

11

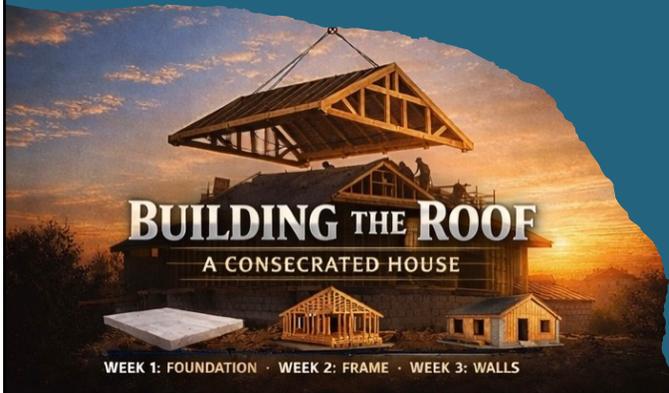

COUNTERACT IDENTITY LIES

- Reject names God didn't speak.
- Anchor identity in covenant truth.
- Influence without covering becomes absorption.

12

POINT 4 PURPOSED IN HIS HEART

- The turning point is inner resolve.
- Babylon can pressure, not possess.
- Pre-decide devotion before appetite.
- Consecration is settled obedience.

- Busyness replaces stillness.
- Constant access crowds the mind.
- Content trains cravings.
- Compromise gets called “normal”

14

- God gives favor to aligned lives.
- Renewed minds regain discernment.
- Babylon teaches skill, God gives substance.
- Consecration produces spiritual weight.

15

- Present yourself: worship & ownership.
- Be transformed: renewed mind.
- Refuse conformity: no Babylon mold.
- Discern God's will: clarity returns

16

- Structure without covering keeps the atmosphere shifting!
- Babylon's goal is casual devotion
- Consecration is alignment, NOT PERFECTION.

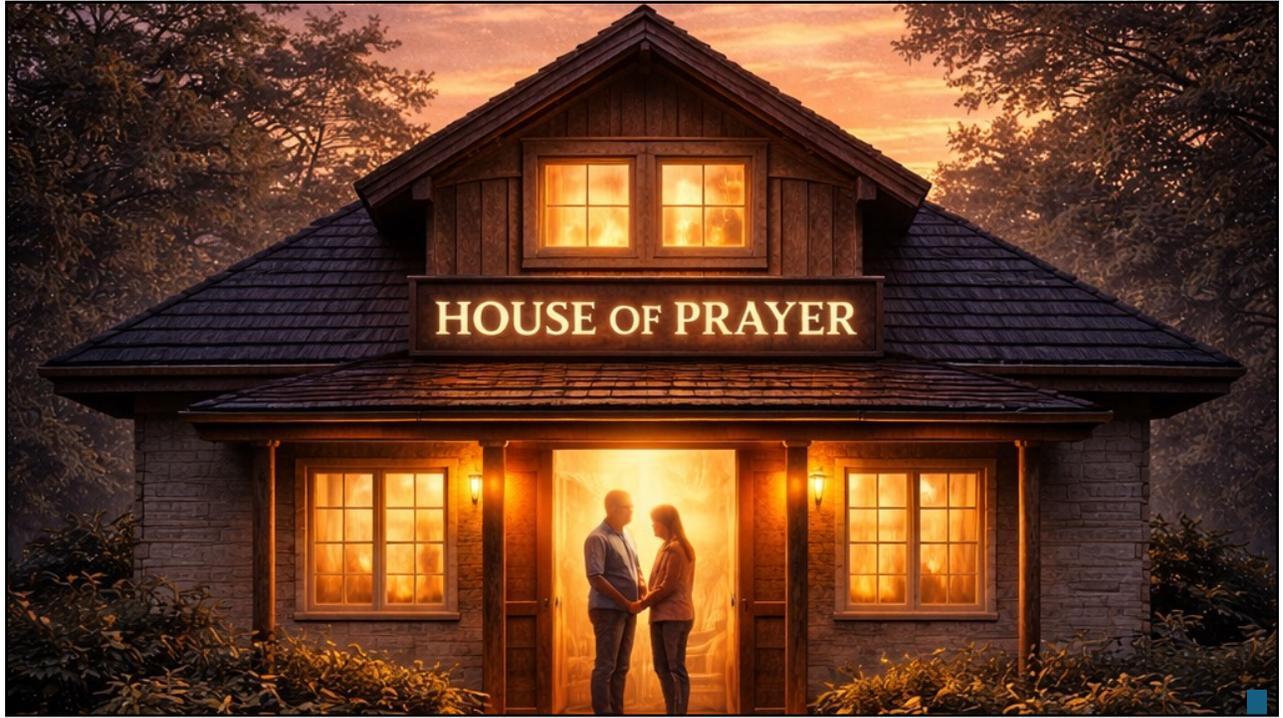

17

PUT THE ROOF ON

- Formation: Allow God to shape you.
- Identity: Live under the name God gives you!
- Appetite: Feed yourself spiritual food.
