Hi Parents,

We are looking forward to our 2025/2026 ministry year. This one will be a little unusual, because beginning in January as we will be working around construction here at GracePoint. The theme for the year seems to be flexibility!

Acts 8 tells the story of the man from Ethiopia who met Philip in the desert. At his request, Philip jumped into his chariot to explain the Scripture to him. *Then Philip began with that very passage of Scripture and told him the good news about Jesus. As they traveled along the road, they came to some water and the eunuch said, "Look, here is water. What can stand in the way of my being baptized?"* (Acts 8:35-36)

If that man can learn about Jesus in a chariot, think about how much our children and youth will learn this year despite schedule and building adjustments. We look forward to watching them grow!

In partnership,
Marie Reynolds and Christian Brands
