

HOW DO I USE THIS GUIDE?

Thrive [Thriv] • Grow & Mature.

At the core of our name, we exist to help you thrive - grow and mature - in Jesus! This means there is always a next step to take in your spiritual growth journey. We're here to champion you and give you the resources you need.

Our mission is to invite people to forget dead religion, experience God and thrive in Jesus! Everything we do is designed to accomplish this purpose. The resources outlined in this guide are designed to help you know Jesus more and move forward in your journey with Jesus and His church. Some of these steps are personal (like reading a book), while others depend on your participation in a group or volunteer team.

For most of us, the path in spiritual growth and maturity is a journey with unexpected twists and turns. The resources outlined here don't need to be done in any specific order. We invite you to look at your personal life and use this as a resource. Our team is here to help you - no matter where you are now and what it looks like!

Committed to seeing you thrive!
