2023-2024

## 2023-2024

Through our various ministries, we pray that **each woman** will have the opportunity to deepen their knowledge of **God's Word**, and make lasting friendships. We desire to create an environment where women will feel *safe, loved and valued*, while being *encouraged, equipped and empowered* to thrive as wholehearted followers of Christ. So that in turn they will have a profound impact in their community for Christ.
