## UPDATE

NOVEMBER 2023

### Current Series: Who is Jesus?

This series challenges students to refine their perception of Jesus based on the gospel of Mark. Is Jesus just a wise teacher, or is he truly the Son of God? Does he even have the authority to do what he claimed to have done? Join us to discover the true, powerful, and sacrificial Jesus of the Bible!

#### November 1 -Small Group Night

Each SG decides how to spend their time together for this week. SGLs will be in touch with parents on plans.

#### November 8 - Testimony to the Gentiles

In Mark 5:1-20 Jesus shows how not just Jews, but also all nations are saved by faith. God is seeking to reach the nations in His own timing and by the testimony of those who have encountered his love.

#### November 15 - Testimony of Suffering

In Mark 5:21-43 Jesus shows he is our only hope in times of suffering. His sovereign plan is at work regardless of what the earthly outcome is. We can trust his compassion and care even in hard times.

#### November 22 - NO HARVEST STUDENTS Thanksgiving week

#### November 29 - Rejecting or Accepting Jesus Authority

In Mark 6:1-29 we see that though Jesus came from humble beginnings, humanly speaking, his kingdom greatness is undeniable. Will we respond with pride or with repentance?
