September Update

New Series: Colossians

The letter to the Colossians reveals the glory of the gospel, the preeminence of Christ, and the necessity of Godly growth for followers of Jesus. Colossians also sets-up our understanding of true identity, fighting sin, and representing Jesus both in and under authority. This series will challenge us to surrender to Jesus and depend on him as we live a transformed life.

September 3rd - Fall Kickoff Night

Join us from 6:30-8:30 pm as we kick off the new ministry year! We will sing, play games, and begin a new sermon series with an overview of the letter to the Colossians. Students will also get acquainted with their new SGs.

September 10th - Colossians 1:1-14

Though Paul had not been to nor met most of the church at Colossae, he expresses great love for these new brothers and sisters in Christ. This letter begins with a prayer of thanksgiving and an exhortation for these believers to walk in a manner worthy of the Lord Jesus Christ. This is the same call for followers of Jesus today!

September 17th - Colossians 1:15-23

After his prayer and thanksgiving, Paul can't help but burst into an epic description of Jesus Christ. He asserts the preeminence of Jesus as the Creator and Sustainer of the universe, declaring he alone is the King who offers reconciliation to the lost. This warning of his rule and offer of his salvation extends to all who would believe.

September 24th - Colossians 1:24-2:5

After declaring the glories of Christ and the gospel, Paul goes on to explain his gospel ministry. We learn from Paul's example that gospel ministry is not easy, but the cost is worth it. Indeed, all followers of Christ are called to trust Christ's work in themselves even while helping each other grow in the faith.
