UPDATE

DECEMBER 2025

Current Series: Firm Faith

We will take two weeks to talk about how to be firm in our faith. Though there are a wide variety of things thrown at followers of Jesus, we can look at two broad categories of trials (suffering) and temptations (sin) and how the faith in the gospel gets us through them both!

December 3rd - Standing Firm in Trials

We have the hope of Jesus which gives us sure footing amidst the storms of life. In this message we will take time to walk through what are some of the various trials we might face and the practicals of how the gospel helps us stand firm.

December 10th - Standing Firm under Temptations

Sometimes the storms of life come from within our own hearts. In this message we will take time to walk through what temptations are biblically and talk through the practicals of how the gospel helps us flee from stumbling into sin.

December 17th - CHRISTMAS PARTY!

We will celebrate the birth of Christ with a night full of fellowship, food, and games. Check your emails from Jack about helping with snacks for the night!

December 24th - Christmas Eve Service

December 31st - Christmas Break
