UPDATE

NOVEMBER 2025

Current Series: Identity

The enemy loves to undermine and confuse the most fundamental realities of who we are. Therefore, we must fight by turning to God. This four week series titled "Who Am I?: Finding Identity in Christ" aims to help students see who gives them ID, address their ID problem, see who redeems their ID, & live out their God given ID purpose.

November 5 - Serving Night

In light of Stewardship Month, will take a night to tackle some projects to bless our community and our church ministry partners. Students will help select these projects as we plan to spend time in fellowship and service together.

November 12 - You have a New ID in Christ

Once we've seen the fake identities give by the world, we need to replace it with something new. As 2 Corinthians 5:17 and Colossians 3:1-4 tell us faith in Jesus is the perfect remedy! For those who belong to Jesus you are given a new identity and are freed from comparison and for worship,

November 19 - You are saved and sent by Christ

This new identity offered through Jesus is not stationary or stagnant but meant to be put into action. As 1 Peter 2:9-12 and Galatians 2:20 show us, those who belong to Christ are given a purpose of going out together to represent Christ to a needy world..
