

Current Series: Colossians

The letter to the Colossians reveals the glory of the gospel, the preeminence of Christ, and the necessity of Godly growth for followers of Jesus. Colossians also sets-up our understanding of true identity, fighting sin, and representing Jesus both in and under authority. This series will challenge us to surrender to Jesus and depend on him as we live a transformed life.

January 7- New Year! New You?

We will kick off the year looking at God's Word and asking students evaluative questions like: How is their walk with Jesus? Where do they want to see the Lord work in 2026? How does planning for growth and trusting God's plans fit together?

January 14 - Colossians 2:16-3:4

Reflecting back on the gospel and our ID in Christ, we see that living out our new life in Christ is hard! But Jesus has given us the tools, both offensively and defensively, to fight for truth and to live faithfully for Him.

January 21 - Colossians 3:1-17

For those who are desiring faithfully with Christ, this new life has some requirements. Through Paul's words, we will see what it looks like to put on and to put off the life of Jesus Christ.

January 28- Creativity and Bearing God's Image

Pastor Jordan Bray joins us for a special one off message! We will look at who God has made us uniquely and wonderfully to be. As those made in the image of the Creator, we are given the privilege and responsibility of being his creative image.
