

HARVEST STUDENTS UPDATE:

FEBRUARY 2026

Current Series: Fighting Sin 2.0

Back by popular demand! Last spring we looked at what sin is, why we need to put it to death, and how to use the resources God has given us to fight it. We will revisit these same truths but drill down on some common sin struggles and be more specific in how to fight.

February 4 - Fighting Sin Review

Looking back at our Fighting Sin 1.0 series from spring of 2025, we will look at what sin is and why we need to fight it from within and without. We will spend time in Romans, James, and Matthew to set up the rest of the series.

February 11 - Seven Deadly Sins?

The title exposes a phrase that we commonly hear. But is this biblical? Yes and no. With Proverbs 6:16-19 as reference, this message will aim to demonstrate 1) that ALL sin is deadly and leads to condemnation and 2) that it can be helpful to place sin to major categories in order to help us fight.

February 18 - SG Night

Students will spend the night hanging out with SGs. Be sure to check your texts and emails--your student's small group leader will be in touch about the plans for this evening.

February 25 - Pride

One of the greatest categories of sin in the Bible is pride. God has much to say about the dangers of pride and also how to fight against it. With Psalm 131 as our main text we will talk about what pride can lead to, how to battle against this deadly sin, and why we must humbly place our trust in the Lord.
