Help fund ETEAM and CMP students for missions this summer! 🌍

142 students have been accepted for IM's summer missions trips through ETEAM (high school) and CMP (College Missions Program). Students accepted into these programs for this summer have financial deadlines coming up soon, and many still need financial support for their trips. If you've participated in these programs or helped support students in the past, you know firsthand the life-changing impact of these trips. Over 75% of IM missionaries have gone on these short-term opportunities with IM, and many of them answered the call to missions while on these trips. 🙌 We are asking every person to give \$50 to students from your state (or the Student Missions General Fund).

We would like to share your event in the UPDATE!
