Make Your Selections

Click on the "Create a Bracket" button on the My Brackets tab. Select who you think will win each of the 63 tournament games by clicking the team name you want to advance to the next round. Once the bracket is complete, submit your tiebreaker score for the Championship game. (No need to check the boxes to enter the Acura Tourney or 2023 Allstate Tourney). Select the Submit button. You may make changes to your selections prior to the scheduled tip-off of the first round games on March 16, after which selections are final.

4

Name Your Bracket

On the My Brackets tab, select the three-dot ellipsis that appears to the right of your newly created bracket. Select Rename. Name your bracket. The name can be as simple as just your name or be creative! You can change your entry name at any point during the game on this page.

5

Join Our Group

On the My Brackets tab, below your named bracket, select Create/Join Group. Type "JourneyChristianChurch" into the search box. Select the group and enter the password JAM. You must join the group prior to the first tournament game, after which the group is locked.

6

Accumulate Points

Now you are ready to take on the tournament! The object is simple: Correctly pick the winner of the most matches in the 63 tournament games! A correct selection in the first round counts as 10 points and the point value doubles each round thereafter. The app will automatically rank each entry.

Be sure to complete the women's bracket too! Go to the My Brackets tab and select Women's Tournament at the top of the page. Then repeat steps 3-5 above. The men's and women's tournament winners will receive a \$50 gift card.
