CSC ENGAGE

*** Please take a moment to fill out this survey for CSC Engage at centralsquare.church/engage. ***

This spring, you are invited to participate in CSC Engage, a church-wide prayer and discernment project about the future life of our church. The staff and Church Mission Council hope all congregants (6th grade +) will participate in a CSC Engage session in which we will pray, share, and discern together about how God is leading CSC to live out our church's vision.

The three main goals of this project are to:

- **Engage** members and attendees of the church in prayerfully seeking God's intention for our church.
- **Inform** the decision-making of the CMC and staff regarding the future
- **Provide** congregants with a deeper understanding of each other's interests, dreams, concerns, and plans as we pursue CSC's vision together.

Please join us in praying throughout this season, and please plan to join a CSC Engage session! There will be sessions offered at most House Churches, for some ministry groups, and through open invitation meetings after church. Last live session(s) at church is on:

- 5/17 12:30pm; Lounge and Office (2 sessions, childcare available)
