## **Module 11: Godly Stewardship**

### *Week 2: Biblical Giving*

- Watch the video: Red Letter Challenge - Giving
- Read Matthew 6: 19-34
- Malachi 3:6-12

#### **Main Questions to Consider:**

- Are you more like a spring or a swamp?
- What do your actions teach those around you about money?

#### **Extra Credit:**

- If you have a Red Letter Challenge book, work through days 27-33 (I have a few that you can borrow, if you would like)

#### **Main Thoughts to Consider:**

- Discuss the phrase: "True prosperity is not in how much we have, but rather how much we give." Do you agree or disagree? Why?
- Commit to tithing for the rest of the year.
