Bible Adventure, The Walls Go Up, Week 3

Parent Guide

This week, we learned a little more about God's good plans for justice!

Ask This

- Are there any friends at church you'd like to play with during the week?
- Did you do anything at church that you'd like to try at home?
- Name friends who make you feel better when you're upset. What do they do that makes a difference for you?

Need some ideas? Watch ***this week's video*** to help guide your conversation!

Practice This

Isaiah 1:17 NIRV
"… do what is right! … Help those who are treated badly. …"
