# Chances Are

***September 2022***

“We want spiritual growth!” These were the words I heard as I read through West Lake’s congregational profile, prior to accepting the call as your pastor. According to you, you wanted to dive deep into your spirituality; you wanted to be given opportunities to grow in your faith and your understanding of God. West Lake wanted depth, and that excited me. I too desire deep meaningful conversations that lead to growth. I too long for my understanding of God to mature and develop into something more like Christ’s. I believe that is part of what God saw when he brought us together – a deep desire for spiritual growth.

Lucky for us, we have been growing together through worship, through Bible studies, through prayer group, and through service. However, if you are someone who has felt that the well has been a bit shallow for you, if you feel like you haven’t really had that spiritual growth you’ve desired, then this month of September is for you. In the thirty days of September, we will have thirteen days that offer an opportunity for Bible Study, five days that offer opportunities to go to God in communal prayer, and four days of Sunday morning worship. That is a grand total of twenty-two opportunities for growth to happen.

Of the thirteen days of Bible study, our Fishing for Women team will be leading five of them as they take the women of our congregation on a discovery of how Jesus treated women. I’ve listened to a bit of what this study covers, and I am excited to see the growth these women will have. Regarding the other eight days of Bible study, I will be leading them. Four days will be Brown Bag Bible Study where we wrestle through the challenging word of God together to try and uncover just what the truth of that passage is. The other four days will be focused on how we inherit eternal life – the answer is much different than what your Sunday School teacher taught you. I invite you to be present, not at all of these, but at some. Ensure that your hunger for spiritual growth is satisfied.

Sincerely in Christ,

Rev. Chance McMullin

**The office will be  
closed for Labor  
Day: September 5th.**

***“Never be lacking in zeal, but keep your spiritual fervor, serving the Lord” (Romans 12:11 NIV).***

In the August newsletter I mentioned that we would communicate opportunities to serve on various ministry teams (committees). If you have the “zeal” and a “*spiritual fervor*” described in Romans 12, the following teams are looking for additional members to help build out their ministries.

**Education** – As the vision team is finalizing our three year vision, we’re seeing many implication for the education and spiritual growth of our congregation. If you are interested in serving on this team reach out to the education team leader Kaycie Hall to express your interest.

**Church Growth** – It’s been exciting to see all of the works and activities this team has been working on these past few months. From the family movie night, to the blessing bags that were given to Community for Christ, to the upcoming Trunk or Treat festivities that are being planned for October, this is a vibrant and vital ministry team that’s having a lot of fun carrying out the Lord’s work in our communities. If you are interested in serving on our church growth team reach out to our church growth team leader Helen Robinson.

**Deacons** – Now that we’ve moved away from the communion cups, and have the congregation coming forward to receive communion, we are in need of more Deacons to help prepare and serve communion. As you know the sacrament of communion is the centerpiece and a time in our worship that we are drawn closest to God. What an awesome way to serve the Lord and your church family. If you are interested in what our deacons do and would like to serve in this capacity, reach out to Mary Carlin for more information.

As the board moderator, elder, member of the music team (and somewhere in there full-time business owner), I can tell you first hand one of the best ways to grow spiritually and connect with our church family is to get involved and serve.

Please join me in praying for these teams and the people who will be moved by the spirit to serve on them.

Blessings,  
Wayne Vandewater  
Board Moderator

# CWF NEWS

Rain, Rain ... Some say go away, while others are praying for rain to come. Rev. Jane gave her devotion on the "living water" and the importance of water in our lives. We have been blessed with adequate rainfall this summer and our lake is full. While the Colorado River is diminishing at a record pace. Leaving people to wonder how they are going to generate electricity and where their drinking water is going to come from. When people come together and share resources, we can make a positive and powerful difference. This month CWF is collecting personal hygiene items to help people in Missouri that may lack basic needs for healthy lives. Through the Festival of Sharing we will deliver hygiene packs to Tipton United Methodist Church. The congregation can help by purchasing the items listed below (pay attention to the sizes listed.) Drop them in the tub in the entry way at church by September 12th. You can make a complete kit of all 10 items or drop in individual items and we will put the kits together at our next meeting. We are shooting for 100 packs. Thank for all your help.

Skin lotion (10-16 oz)  
Fluoride Toothpaste (6 oz or more)  
Toothbrush ( must be in original package)  
Bar of moisturizing soap ( in package)  
Bottle of shampoo (12-16 oz)  
Washcloth  
2 razors  
Comb ( large) or brush  
Hand towel  
Deodorant

Our next meeting is September 13th at 11:00 in the Loehr Center. Our hostesses will be Betty Snitker and Mary Ellen Flinn. Hope to see you there.

Sincerely:

Sharon Hofer, President

## Thank you & hello from William Diaz

Dear church family,

Good morning West Lake!! I miss all of you guys so much! I have received a lot of letters and cards that have been sent to me. It means the world to me that everyone would take time out of their day just to send me letters. I mean gosh, the stamp prices rose, just like gas prices... Every single letter or card y'all sent to me helps more than you know. The moral and confidence builds up each day. I am extremely homesick, and it is hard being away from home. I hope everything at the church is going well, I pray about everyone every chance I get. We just started Red Phase (Aug 3), and this far into boot camp there are still some people that can't seem to grasp how to not move or talk, so we end up getting smoked (Push-ups, sit up etc) a lot. I will try to send letters as often as I can so everyone can stay up to date on what's going on, though I am sure my mom is doing a great job at that. I would also like to extend an invitation to anyone who would like to attend my graduation, it is September 22nd, no time has been announced yet. One thing I will always remember from what West Lake has taught me is, God loves you, and so do I.

I love you church family and can't wait to see everyone again soon

Yours truly,  
William Diaz

# God Bless You!

Wait, why do we even say that?  
What does it mean to be blessed?

- To be blessed literally translates to “**be happy**,” but the Bible says that even problems can be blessings.... So how are we supposed to know when we’re being blessed if we aren’t happy?

What is the secret to accessing the abundant life God promises? In perhaps the greatest sermon of his ministry, Jesus gives us the keys to the Kingdom; a life of wholeness, happiness and healing.

Explore the practical steps to lead you to peace and fulfillment in your life, your work, and your relationships.

## Scholarship Committee

About 10 years ago West Lake Christian Church needed a new minister. Kelly Caldwell was hired as a Transitional Minister but Kelly lacked the educational requirements needed to be licensed by the Christian Church, Disciples of Christ. Kelly enrolled in a course of classes that would qualify him for that recognition. Several members of the congregation wanted to support Kelly in this endeavor and contributed funds to the church to help Kelly offset that cost.

After Kelly's death, Rev. Chance, Kelly's wife Nancy and their son Danny Boteler discussed how to best use the contributions received by West Lake Christian Church in memory of Kelly. They were all in agreement to establish the Caldwell Memorial Scholarship. A scholarship committee, at WLCC, has been set up to determine the guidelines and an application for awarding a scholarship. It is our intent that awards can be made to anyone who wants to further their education after high school graduation or GED. The scholarship can be used for trade school, two or four year degree or graduate level school in any field. In order to make this an ongoing fund there needs to be a substantial amount to invest so that only the interest is being used to make awards. While there is a nice start to the fund it is a long way from making it sustainable. The committee will be holding fund raisers and asking for congregational contributions. On Sunday mornings contributions can be put in envelopes and designated for the Caldwell Memorial Scholarship. If you contribute electronically you can go on the app and designate an amount to go to the fund. A Ham and Bean dinner is being planned for this fall.

This scholarship has the potential to change lives. You all have the chance to be part of that change through your contribution to this fund!

If you have questions contact chair Carroll Rinker.

## Dinner for Eight 8 – Coming Soon

Sunday October 2, 2022

**All Members & Guests are Invited...**

Couples, singles, old and young

**Dinner for 8** is held in the Spring & Fall. It is an event when you gather to share good food and fellowship in a “host home”. It is an excellent opportunity to get to know folks you might not know well. Past participants say this is where church acquaintances began to form real friendships.

**How it works:** Those who sign up to attend are grouped by the event coordinators into appropriately sized groups for the host homes. Hosts provide the main dish and beverages and contact their assigned guests about what to bring, an appetizer, salad, side dish or dessert. Time is determined by host home ... afternoon or evening.

**How to participate:** Signup slips are available on the table in the narthex. Complete the slip indicating whether you want to be a host or an attendee. Members of the Church Growth Ministry Team are available to accept your completed slip or answer any questions you may have.

**SIGN UP BY Sept 25** (Late deciders?...call us anyway!)

**Questions:** Call Marilyn Rothove 573-216-9654 or Helen Robinson 314-223-3907

(Coordinated by the Church Growth Ministry Team)

Trunk or treat is scheduled for Oct 29th from 5-8:30PM

Each committee will have sections of the parking spaces around the church to hold activities and set up their trunks.

There will be additional parking spaces for congregational members who would like to participate in this event.

Be on the lookout for more information to come.....

# Christmas Projects Coming Soon!

The Church Growth Committee coordinates these three.

## Operation Christmas Child kicks off September 14! 2022 Goal is 250 Boxes!

Our WLCC community will help spread God's love to children around the world by filling shoe boxes with new items including WOW items, toys, personal care items, school supplies, clothing & accessories and crafts and activities and personal notes and pictures of those sending love.

Pack your own shoe box OR donate items in the bins OR donate money for OCC. (\$10 per box covers Delivery and lessons)

Boxes get delivered not just at Christmas but at times of disasters and tragedies across the globe and in the USA. Samaritan's Purse adds a book "the Greatest Journey" about Jesus in the child's language and offers a 12-lesson to help them know about Jesus. Since 1993 over 188 million children in 170 countries & territories have gotten a shoebox.

Begin praying now for the children & the OCC Project.

*Boxes, Collection Bins, and lists of suggested items and items not allowed are in the entry.*

# Community for Christ Needs Your Help!!!

Hello Everyone,

This summer CFC has seen a substantial upward need of families needing food, especially in the last several weeks. Currently, grocery shopping is painful for many local families. During summer kids are home and from what we see they are hungry! I'm sorry this list may be long, however, the need is great right now. Any money donations will go directly to purchase food.

**Please keep in mind, our food bank items are free to families in need.**

## **Here goes:**

cake mixes & frosting (kids have birthdays)  
Boxed potatoes of any kind  
taco & chili seasoning  
Chef Boyrdee canned items  
pork & beans  
Refried beans  
Rice flavored packets of any kind  
brown rice  
Spaghetti &/or soup type noodles
