Keep her healthy and learning.

Gifts to Start the Year Strong!

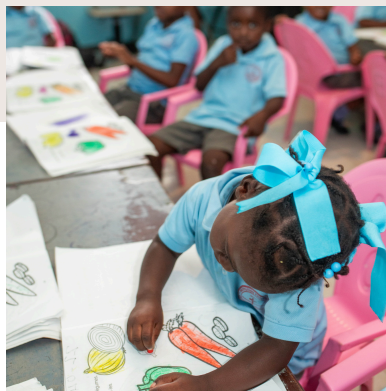

Meaningful Gifts for a Strong Start

SCAN TO GIVE!

We've carefully created 10 meaningful gifts that make a real impact as this school year begins. Each one uniquely supports students and teachers with the tools and encouragement they need to start strong. All gifts help contribute to the unseen, essential pieces like electricity, staff support, and building maintenance that allow the school to be a safe place for over 230 students all year long.

Choose a gift and be part of helping a student or teacher step confidently into the new school year!

\$7 **Spark a Child's Learning**

Help one child begin the school year with the basic supplies and activity materials they need to thrive.

\$35 **Fill a Backpack**

Fill one student's backpack with a full set of schoolbooks for the year and build excitement for the upcoming year of learning.

\$55 **Therapy Services**

Ensure a child with special needs receives therapy each month—a unique service at our school that few others provide.

\$70 **Give Confidence**

Fully outfit a student with a new, locally made, uniform so they can show up prepared, confident, and ready to learn.

\$140 **Fully Equip 1 Student**

Give 1 child a strong start to the school year: a uniform, schoolbooks, access to education and support services.

\$345 **Empower a Classroom**

Stock one classroom with books, supplies, and materials that encourage learning from the very first day.

SCAN TO GIVE!

We believe that education is one of the most powerful tools to break free from the cycle of poverty and build stronger future families.

Institution Chrétienne Enfants de la Promesse (ICEP) is more than a school, it's a place of opportunity, dignity, and hope. Serving over 230 students from Pre-K through 6th grade in northern Haiti, ICEP provides quality education in a region where access is often limited.

Heart for Inclusion

We are building a school where children with disabilities not only belong but receive the specialized support they need to thrive. Our classrooms are designed to be safe, supportive spaces for children of all abilities.

Family Support

Beyond the classroom, we are exploring new and creative ways to walk alongside the vulnerable families of our students. This means offering parent support services that strengthen homes and build stronger futures.

Beacon of Hope

ICEP gives hope to vulnerable families through quality education for their children and a Haitian-led school staff who serve as daily role models; showing students the opportunities education can unlock.

Nutritional Support

All students and staff receive a hot and nutritious mid-day meal. For many, this is the only nutritious meal they will eat that day. This program is generously fully funded by one of our Corporate Partners.

School Funding & How You Can Get Involved

At ICEP, we believe that when families contribute, they're more deeply invested in their child's education. That's why we ask families to pay a small tuition fee. However, 95% of the school's operating costs are funded by generous donors, school partners, corporate sponsors, and churches who believe in bringing inclusive, Christ-centered education to vulnerable children in northern Haiti. If you'd like to learn how you or your community can get involved, please contact Jenna Thorson at jthorson@childrenofthepromise.org. We'd love to connect with you.
