LAUNCH PAD COHORTS

We want our church to be a launch pad for sending people out on the mission God has for them. Our goal through Launch Pad is all about sending. We call it "Launch 10X". Over the next 10 years we aim to launch: 10 new churches, 100 individuals into vocational ministry or mid to long-term missionary service, 1,000 leaders, and 10,000 disciples. This is not something we can do on our own. This is a God-sized goal. We want to equip everyone in the church for this goal. We have several different training opportunities available for Spring/Summer 2023 starting in April. You can sign up for any of these at fbcmel.info:

- **Group Leadership:** LEAD Training - Starting April 30
- **Ministry Training:** Summer Internship Program - Taking applications now!
- **Missions:**
 - Mexico City Mission Trip Interest Meeting TODAY @ 11:30 AM or 1:00 PM in WC 109
 - South Asia Mission Trip Interest Meeting, April 30 @ 11:30 AM or 1:00 PM in WC 109

Please pray about how God might be calling you to live on mission for King Jesus.

ANNIE ARMSTRONG EASTER OFFERING

Every year we join together with Southern Baptist churches everywhere in an offering called "Annie Armstrong Easter Offering for North American Missions". Our church's goal is \$30,000. 100% of this offering goes directly to help mission and church planting efforts all across North America. Today in our services, we will set aside time to give together towards this effort. Every penny you generously and sacrificially give to this offering goes to penetrate lostness with the hope-giving message of Jesus! To hear stories from missionaries and church planters supported by this offering, go to anniearmstrong.com.

ANNIVERSARY RECOGNITIONS

Church family, we are celebrating a couple of significant anniversaries for two of our teammates! Jon Mason has served as our pianist for 20 years and Aaron Still has been our Church Planting Pastor for 5 years. If you see them around campus, please tell them congratulations and thank them for their hard work! We are so thankful for Jon & Aaron, and the rest of our wonderful team.
