

CLUB OUTREACH: LONG TERM PROJECTS

Adopt a Club

➤ This initiative invites small groups to adopt a club, committing to a year of consistent prayers and monthly financial support for club gifts.

Pray Warriors on Club Nights (Thursday & Friday Night)

➤ A dedicated team of intercessors who provide spiritual covering from off-site, petitioning the Lord for direction and protection, softened hearts, and divine appointments during the club outreach.

Long-term Discipling, Mentoring

➤ Rooted in Titus 2, this is a commitment where mature women walk alongside those exiting the industry to model biblical character and womanhood. The focus is on God's word and heart transformation, helping women move from the chaos of worldly living, into a disciplined life of godliness.
