

STREET OUTREACH: LONG TERM PROJECTS

Pray Warriors on Street Outreach Days (Tuesdays 9am-12pm)

➤ A dedicated team of intercessors who provide spiritual covering from off-site, petitioning the Lord for direction, protection, softened hearts, and divine appointments during street outreach.

Outreach Workers, Both Men and Women

➤ We need gospel workers, both men and women, willing to proclaim the word of God to those who are lost. We do this through building relationships, meeting needs, praying and partaking in a weekly Bible study.

Long-term Discipling, Mentoring.

➤ Discipleship not as a mere program but walking alongside one of these ladies to apply God's Word in their life. To encourage, pray, support, teach and gently correct as they grow in their walk with the Lord. This is a long-term commitment.
