Illumination Station VBS

VBS is **almost here!** This summer at **Illumination Station**, kids will discover who Jesus really is—the Light of the World who brings hope to a dark world.

Spots are filling quickly, and some age groups may reach capacity before registration closes on **June 10**, so don't wait to register your child. We're also still looking for **volunteers to help light the way** for the next generation during this exciting week of ministry.

Register kids or sign up to serve today at fbcmel.info.

Every Sunday Counts

After joining First Family in 2023, Mary and her husband quickly became part of our **Guest Service Ministries**. What surprised her most was how serving turned a large church into a **close-knit family**. Through greeting others each week, she's built meaningful relationships and watched God grow her husband's faith as he now invites others to church himself. Mary says, "**Just jump!** It will open your heart and eyes to all that the Lord has in store for you."

Want to find where you can serve? Explore ministry opportunities at our Ministry Fair on **July 26**.

An advertisement for the Church Center App. On the left, a smartphone displays the app's interface with a list of features: "Prepare check-ins for Kids ministry" (with a checkmark icon), "Online Giving" (with a heart icon), "Access your small groups or Join a new group" (with a group icon), "Update Contact Information" (with a person icon), and "Register for events" (with a calendar icon). The app logo, a blue house with a white cross, and the text "church center" are visible on the phone screen. To the right of the phone, the text "Download The Church Center App" is written in large, bold, white, uppercase letters on a blue background. Below this text is a QR code and two logos: "Download on the App Store" and "GET IT ON Google Play".
