VBS: Illumination Station

VBS begins **this week**, and we invite our church family to **be praying** for all that God will do through Illumination Station. Throughout the week, kids will hear the truth of who Jesus is—the Light of the World—and have opportunities to grow in their understanding of the gospel.

Please pray for every child who will attend, for meaningful conversations about faith, for safety and energy for our volunteers, and **for lives to be changed** through God's Word. We're excited to see how God will work through this special week of ministry as we help the next generation know and follow Jesus.

Community that Matters

Dan and his wife, Julie, attended First Family for several years before **joining a small group**, and they say it changed their church experience. While worship services helped them grow **spiritually**, their group provided the relationships and encouragement that helped them feel **truly connected**. Through studying God's Word, praying together, and sharing life each week, they've built **meaningful friendships** with people who genuinely care for one another. Dan describes their group with **four words**: faith, friendship, food, and fun.

Looking for a place to connect and serve? Explore ministry opportunities at our **Ministry Fair** on **July 26**.
