

Child's name

Guardians phone number

**Camp Dean Cassidy Wilson 740-971-1153**

**Camp Nurse Becky Morrison 740-973-9140**

### **Instructions for medications to be dispensed while at camp**

- All prescriptions drugs must be carried in the container in which they were issued (with medical orders and physicians name intact) and given to the nurse/health director. Other prescription drugs will not be accepted.
- Only bring the amount needed for the stay at camp.
- All medications will be given as directed in original package/container. If there are any dosage adjustments, you must bring signed documentation from your physician.

#### **Medical instructions: Medications/allergies, current past medical instructions:**

Please list below all medications that are to be administered to child with dosages and instructions on chart listed below. Current medications prescribed or over the counter. Please list additional medication or needs on a separate sheet.

Name of Medication	Dosage	Frequency/Instruction

As for Over the counter medication your child may need during camp. Please check mark which medication your child may be given if the need should arise. Medications will be dispensed based on instructions according to dosage instructions. Also a phone call home will be made if the need arises to administer any of the following.

- ☐ Tylenol
- ☐ Ibuprofen
- ☐ Hydrocortisone cream
- ☐ Sting relief
- ☐ Benadryl
- ☐ Sun screen
- ☐ Sun burn relief
- ☐ Bug spray
