The McLane-skis - Poland

Appointed to Go and bear fruit that will Last

John 16:15

On the Go!

With much love and prayers we blessed our Ukrainian refugees, Halyna and Mykola, as they moved back to their home country of Ukraine on May 18th. After spending 3 years in our Mokra center for refugees sponsored by our church, they were able to rent a tiny apartment closer to the border with Poland. We continue to pray for their protection, God's provision, and for the war to end soon.

Our hunting signal group, Chmara, has been very active. Over the last 3 months we have played in schools, business meetings, hunter's funerals, shooting competition, and for a hunting club's 40th Anniversary. On May 30th, Richard and I

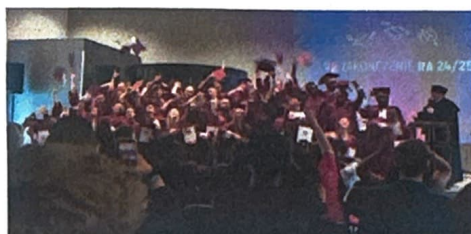

were each awarded a service medal from the Polish Hunting Association in Warsaw for our years of service. It was a huge honor! We will also travel to Łagów, Po-

land in June to participate in the National Championship Competition for Hunting Music.

This continues to be an outreach to share the gospel with friends and colleagues in the hunting and signaling circles around Poland. We are seeing hearts opened to hear the Good News of Christ and His salvation!

Giving God Glory!

On June 14th, we attended the Graduation Ceremony for the students at WSTS, Wyższa Szkoła Teologiczno Społeczna. This was formerly the Warsaw Theological Seminary (WST) which was our building project completed in 2010. We are thankful for the ongoing ministry training and for the students answering the call of God.

We have been invited by the Bishop of the Polish National Church to assist with the opening of a new English speaking church being planted in Nowy Dwór Mazowiecki. We are excited to be a part of this new outreach and will be working alongside Polish and international students from the WSTS in Warsaw. We are praying for much fruit to be added through this new ministry.

On April 9th, we became the proud grandparents to our 5th grandchild!

Brooks Alexander McLane added to our joy and his big sister, Bree, is over the moon to have a little brother.

Congratulations to Josh and Alex on this perfect addition to their family. We can't wait to meet him in person!
