### **Our Words Have Power**

- Read Ezekiel 37:1-14
- Valley Of Bones: What could the valley of bones represent?
- I have noticed dreams snatched away from me from words that had been spoken over me. Do you have dreams that have been put to death because of evil or lies spoken over or to you?
- As you share about these lies, be aware of your emotions. How do you feel sharing those stories?
- In Ezekiel 37, God says to speak over these dry bones and bring new life to them. Jesus has this way of redeeming situations. What people mean for evil, God intends for good. Gen. 50:20
- Share your journey of redemption: What prayers, Bible verses, friends, experiences did God send your way to move into the freedom that He had for you.
- Lastly, read through the I am statements pdf, identify the truths that God has for you, speak those over each other, pray for God's continued work in your life.
