

LEICESTER, ENGLAND (UK)

AUGUST 15-25* 2024

**approximate dates*

Overview

We will be leading a team of 6-8 people to partner with North Evington Free Church to assist in their “Mission Week.” Our team will be serving in a holiday club (VBS); assisting with soccer / park outreach; working in a women’s outreach; along with other community engagement. Team members should have some experience with children’s ministry, evangelism, and/or multiethnic ministry.

Leicester, located in the East Midlands, is an “ethnic city” which means most of the population is from outside the UK. The neighborhood we will be serving is predominately South Asian and will include people with Hindu, Muslim, and Sikh backgrounds. We are grateful to partner with NEFC to help them be the light of Christ to this community!
