

## Spring Cleaning

**Mr. Paul Moolenaar**

Spring Break is here and it is time to prepare for the last few weeks of school. If you are like me, the busyness of life has caused me to put off some projects that I will now attempt to tackle during the week of Spring Break. First on that list is the decluttering and the cleaning out of my garage. There are lots of things that I have stuck out there over the past few months. I will have to go through and decide if I will keep them or give them away. I hope to find some things that have been lost in the clutter and that have great use. The same is true of our life. We can be so busy doing many activities that sometimes the most important activities get lost in the hustle and bustle of life. Hebrews 12:1 says, "Let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us." These weights and sins can keep us from running the important race of the Christian life. One thing that we cannot discard is the education of our children. Proverbs 4:7 says, "Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding." Proverbs 4:13 says, "Take fast hold of instruction; let her not go: keep her; for she is thy life." Let's make a conscious effort this spring to "clean up" our lives by discarding the frivolous and keeping the valuable instruction that leads to success in life.
