

ONE HEART. ONE SOUL. PRAYER FOCUS

guide

WHY ARE WE DOING THIS?

Keystone Montgomeryville is actively praying for a new home. As our church continues to grow, so does our need for more space. We've identified a key area where we're focusing our search - and now we're asking the church to join in walking and praying through these neighborhoods.

HOW DO I PRAYER WALK?

Make a Plan

Look at the areas KMV is focusing on. Choose a location, set a goal, and be intentional with your time and route. For safety: stick to areas with sidewalks, good visibility, and low traffic. If possible, go with a partner or small group - especially in less familiar areas. SO DON'T WALK & PRAY ON 309!

Stay Alert

Keep your heart and mind focused on prayer. If you are walking with others minimize casual conversation. Reflect before you begin, and debrief afterward. Let the walk itself remain centered on intercession.

Pray with Insight

Let your surroundings guide your prayers. As you pass homes, schools, parks, and businesses, lift up prayers for families, children, teachers, leaders, safety, outreach, and salvation.

Be Sensitive to the Spirit

Pay attention to how God might nudge your heart. You may be prompted to pause and pray for a specific home, person, or issue in the neighborhood. Follow those gentle leadings.

Remember

Pray boldly and desperately. Come expecting God to move. Don't whisper weak prayers—pray with confidence that He hears and responds. Pray Scripture-driven prayers. Speak God's promises as you walk. Prayer example: "Holy Spirit, with your help and based on the truth found in your Word, I will..." Pray with dependence. You don't have the power to change a neighborhood - but God does. Let your weakness draw you deeper into trust and dependence on Him.

Report Your Progress

Text "PRAYERWALKED" to 55498, then reply with the street or area you prayer walked.

📍 Example 1: "PRAYERWALKED" "I prayer walked Stump Rd from 309 to County Line Rd."

📍 Example 2: "PRAYERWALKED" "I walked around Abbey Lane and the surrounding neighborhood."

We're highlighting every prayer-walked area on a big map in the lobby at KMV - so as you pray, the map grows!
