## LOOKING TO NEXT WEEK...

### LESSON #5

#### CLEANSING THE TEMPLE

### NEXT WEEK'S SCRIPTURE

JOHN 2:13-25

### THE LESSON AT A GLANCE

Today, we will examine the first of two recorded instances where Jesus cleansed the temple. Only John recorded this first instance, where Jesus threw out the vendors and money changers on the first Passover of His public ministry. The second cleansing is recorded in the other three Gospels and took place in the days leading up to Jesus's arrest (Matthew 21:12-17; Mark 11:15-19; Luke 19:45-48).

While there are similarities in the accounts, most Bible scholars believe they represent two separate events. Look for how the different figures responded to Jesus's authority. In a broad sense, they represent different ways people react to Jesus's authority today. We each have opportunity to submit ourselves to Jesus's authority or reject it. Examine ways in which we can openly receive Jesus's authority in our lives.

### THE MAIN IDEA

Jesus had the authority to cleanse the temple as He came as the ultimate dwelling of God, who now resides in His people.

### QUESTIONS TO EXPLORE

*Under what authority did Jesus cleanse the temple? What authority does Jesus have to cleanse the unrefined parts of our lives?*
