Are you in a Connect Group?

Why do I need to be in a Connect Group?

God never called us to go deeper alone. He created us to be in community with others that can encourage and stretch us in our relationship with Him.

How are we incorporating Connect Groups?

Throughout our 2026 initiative, each Sunday there will be time set aside in Connect Groups to talk about growing deeper with Jesus.

How do I find a Connect Group?

If you have not already, join and be consistent in a Connect Group here at Mobberly. A list of groups can be found at the link below.
