## APRIL: Weekly Biblical Conversations

### What is the Challenge?

God has called us to “make disciples of all nations... teaching them all that I have commanded you.” One simple way of obeying that command as well as growing deeper is to simply teach and talk about what God has commanded us. What better place to start these conversations than in our own homes and communities? Use these cards as an aid to discuss God’s Word with others and grow deeper with others.

### How do I do this?

We encourage everyone to use these cards within their existing circle of influence. Whether at the dinner table with friends and family or during the car ride to school or on an extended trip. Take time once a week this month for intentional conversations about what God is teaching you through His Word.
