Praying the Bible by Donald S. Whitney

Why are we reading this book?

Has your prayer life ever felt dry? Have you ever felt repetitive in your prayers, talking to the Lord about the same things over and over again? Do you long for a fresh experience in prayer? This book is a guide to a simple method for prayer: using the words of Scripture to prompt and direct your prayer life, which can re-invigorate your prayer life and help you grow deeper in your walk with Christ.

How are we going to use this book?

In addition to reading and meditating on Scripture, learning how to pray through Scripture will help us understand how to engage with Scripture in a more intentional way. This book will provide opportunities for more intentionality in prayer as well as meaningful conversation with others in the church who are reading this book.
