

**Summer Missions Project** – raising funds for Compassion's Handwashing Projects. \$50 will purchase a handwashing station and provide education on the importance of hygiene. Collection containers in each SS classroom and can be noted on envelopes or e-transfers.

The video team is looking for **nature pictures** to use as backgrounds for worship lyrics now that our new projector is in use. If you have any nature photos that you would like to share, they can be sent to Marcie or provided to Micaela Wiebe on a USB.

#### *Missionary Prayer Requests:*

We want to thank you for your continued prayers, and we humbly ask that you keep these requests in mind

Our Daughter's Future: Please continue to pray that our daughter would find a godly man to share her life with. We trust the Lord's timing and guidance in this area.

The Convicted Professor: We ask for your prayers regarding the professor who has been convicted. Please pray that his appeal will fail, and that the Lord's justice will prevail.

Opportunities to Speak and Grow Partnerships: We are still seeking more opportunities to speak at churches and groups to find new partners for our ministry. Please pray that doors would open for us to share the vision God has laid on our hearts.

Support Level: We are still at 84% of our support level, and we trust that the Lord will continue to provide as He always has.

### **Missionary of the Week:**

- Praise God for a good week together at VBS, for the opportunity to share the good news, for people who served patiently and willingly, and for many kids who listened well and participated enthusiastically.
- Pray for all of those involved in planning for Family Camp and for upcoming fall ministries like Discipleship Groups and Kids Club.
- Pray for our church family – for the safety and enjoyment of the summer, for opportunities to be salt and light in our communities, for those facing struggles and difficulties.
- Praise God for a good response to our Summer Missions Project at VBS and the generosity of families. We will be able to purchase 22 handwashing stations with the donations received, bringing clean water and the gospel to those communities.
