

Sacred Steps

Welcome to our youth ed newsletter! This will be a monthly publication where you will find info about our upcoming events, as well as spiritual practices, conscious parenting ideas and the curriculum we are working on for the month. And of course, the inspiring things the kids share!

Thank You!

I was ordained as a Unity Minister in June and I was so touched by the lovely celebration. My heart was full as I read the many cards your children made. Over the last two years, they have taught me more than I could ever teach them.

They are a profound gift to our community and I am humbled to get to witness their unique expression of the Divine each week. Thank you for sharing them with me. I am blessed.

With love,

Rev. Julie Boniger
Youth Minister

This Month's Theme:

The Hero's Journey

This month we are exploring Joseph Campbell's The Hero's Journey. Our young hero Alex, hears the call for adventure and learns that her head and heart are pretty loud. Who should she listen to? Then she hears the still small voice in the shape of a field mouse and together with her animal friends learns that her thoughts and words have power, dragons need love, and the power of God is available to her with her next breath or prayer. A huge thank you to playwright Sara Crawford for penning the skits each week. We are grateful!
