Gospel Bracelets - String colored beads onto the string provided. Each bracelet and supplies is individually packaged. Gospel instructions provided per bracelet.

Cross Sand Art - Turn cross upside down and fill with sand according to the gospel message. Screw base onto upside down cross. Flip when base is secured.

Requires scissors. I could hold the cross, snip the bag open and pour the sand, but younger children will require assistance. Kids may want to work in pairs. All supplies for one cross are packaged individually. Gospel instructions provided per cross.

Cross Mosaic - Peel stickers from sheet & apply to cross. Takes longer than you'd think.

Heart, Cross, Fish Scratch Art - Provided as an "extra" activity. Use the toothpicks to scratch color onto the shapes. Embellish with string.
