

Deacon Nomination List

August 3, 2025

To serve as a deacon, men must meet the scriptural requirements found for all believers as well as the qualifications set out in 1 Timothy 3 :8-12 and Acts 6:1-6. These qualifications along with some explanation are included hereto as you consider these men for the office of deacon.

For purposes of this nomination process, the following list consists of the male membership of Central who are potential candidates for the office of deacon. A name appearing on this list or not appearing on the list is not to be taken as a statement of qualification. Based upon the church data system from which this list was compiled, it is possible that qualified men might have been inadvertently left off this list. It is also possible that there are men on this list who do not meet the qualifications or simply do not feel led to serve.

In order to properly supplement the nomination list with those qualified men whose names have been inadvertently left off the list and to remove those men who are not qualified or simply do not feel led to serve, we would ask you to prayerfully review this list to determine whether you feel led to serve as deacon and, if so, whether you meet the qualifications. If after prayerful consideration, you do not feel led to serve in 2026 or you do not meet the qualifications, please request that your name be removed as outlined below.

If your name either needs to be added or removed from the nomination form, please inform Deacon Chairman, Scott Braddock or Vice Chairman, Billy Burney to amend the list with your instructions. You may also contact Debbie in the church office at 256-353-5912. Lastly, you can also have your name added or removed from the list by indicating it on the form available on the table outside the Worship Center and placing it in the offering box during Sunday services. Notice of any such requested additions or deletions must be completed by no later than **Sunday**, September 7, 2025.
