

# SUMMER BREAK

# IS COMING!

School is closed during  
Summer break.

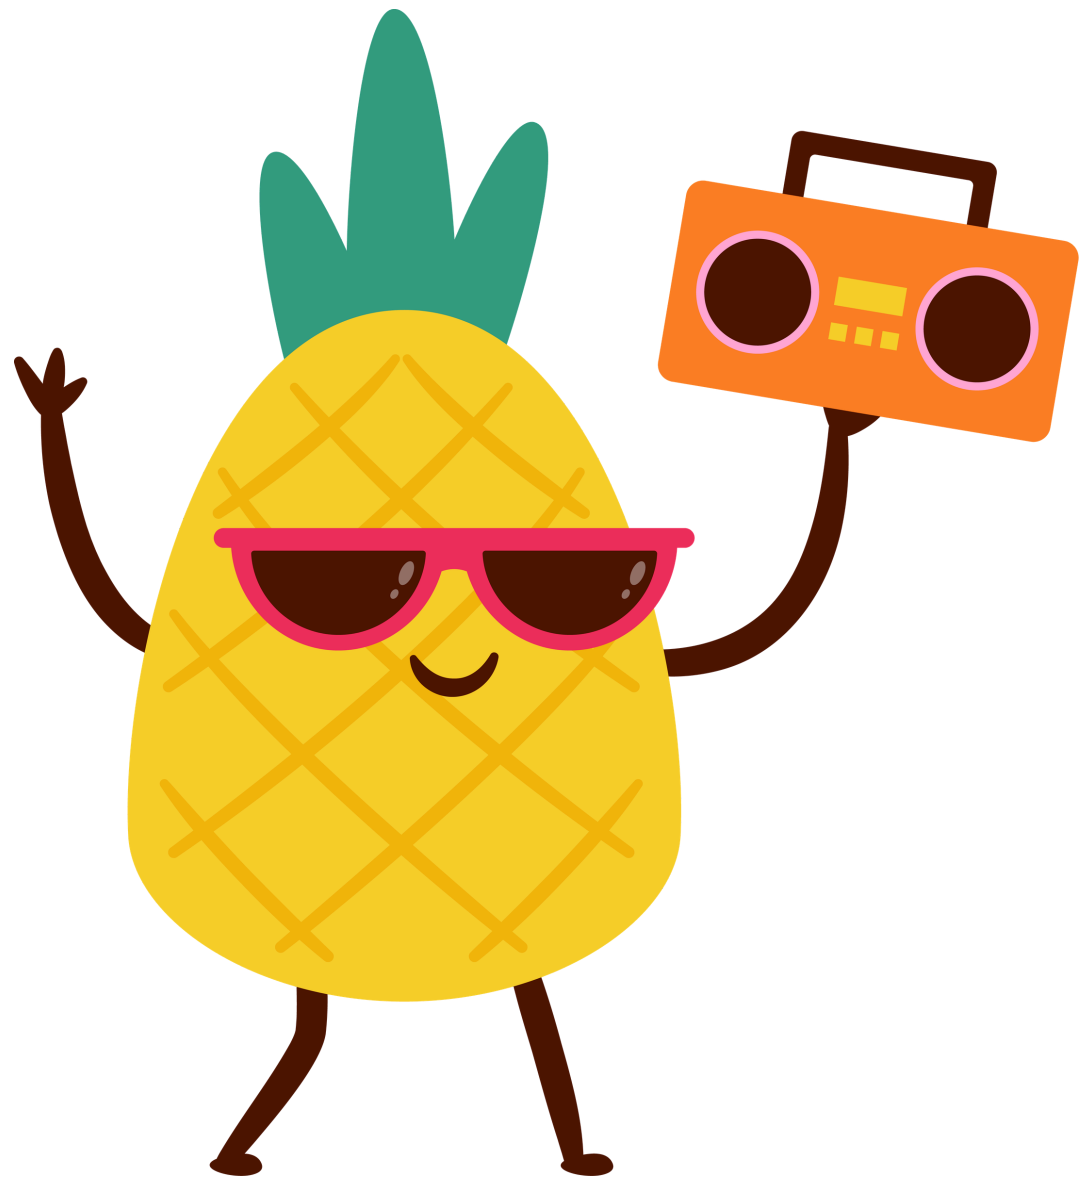

It's almost time for  
summer break.

I will not go to school each day.

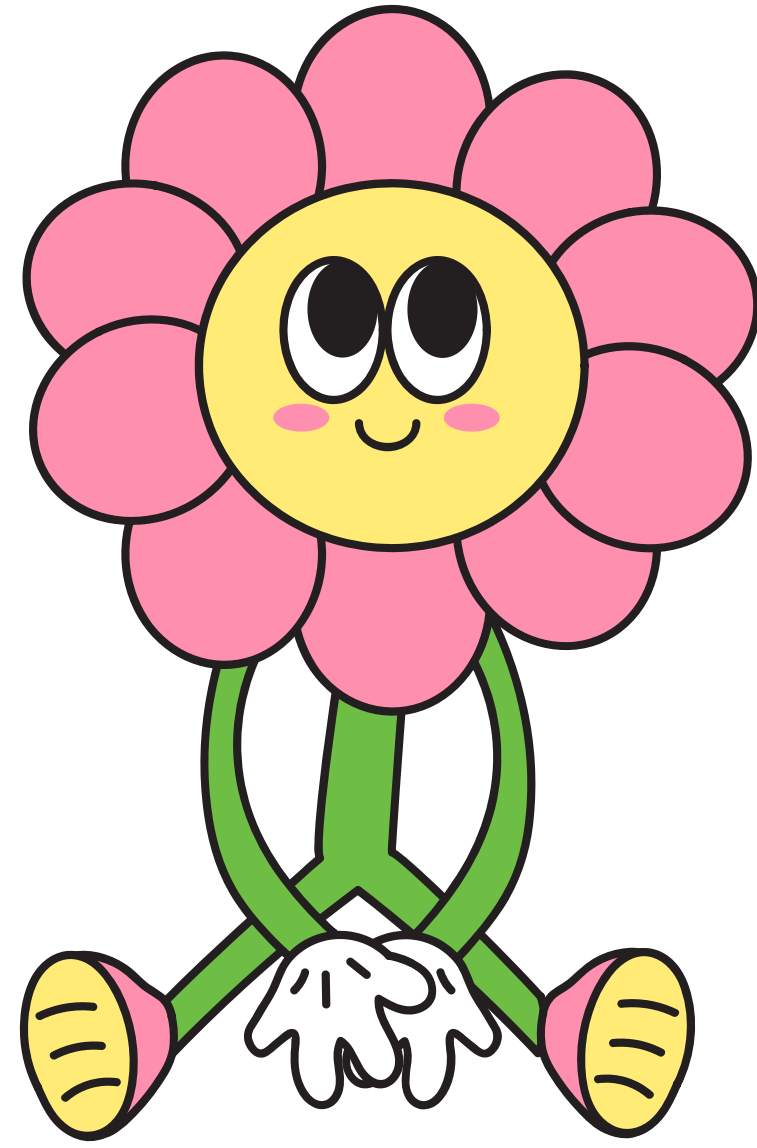

Summer break is really fun!

I might go to camp during the day.

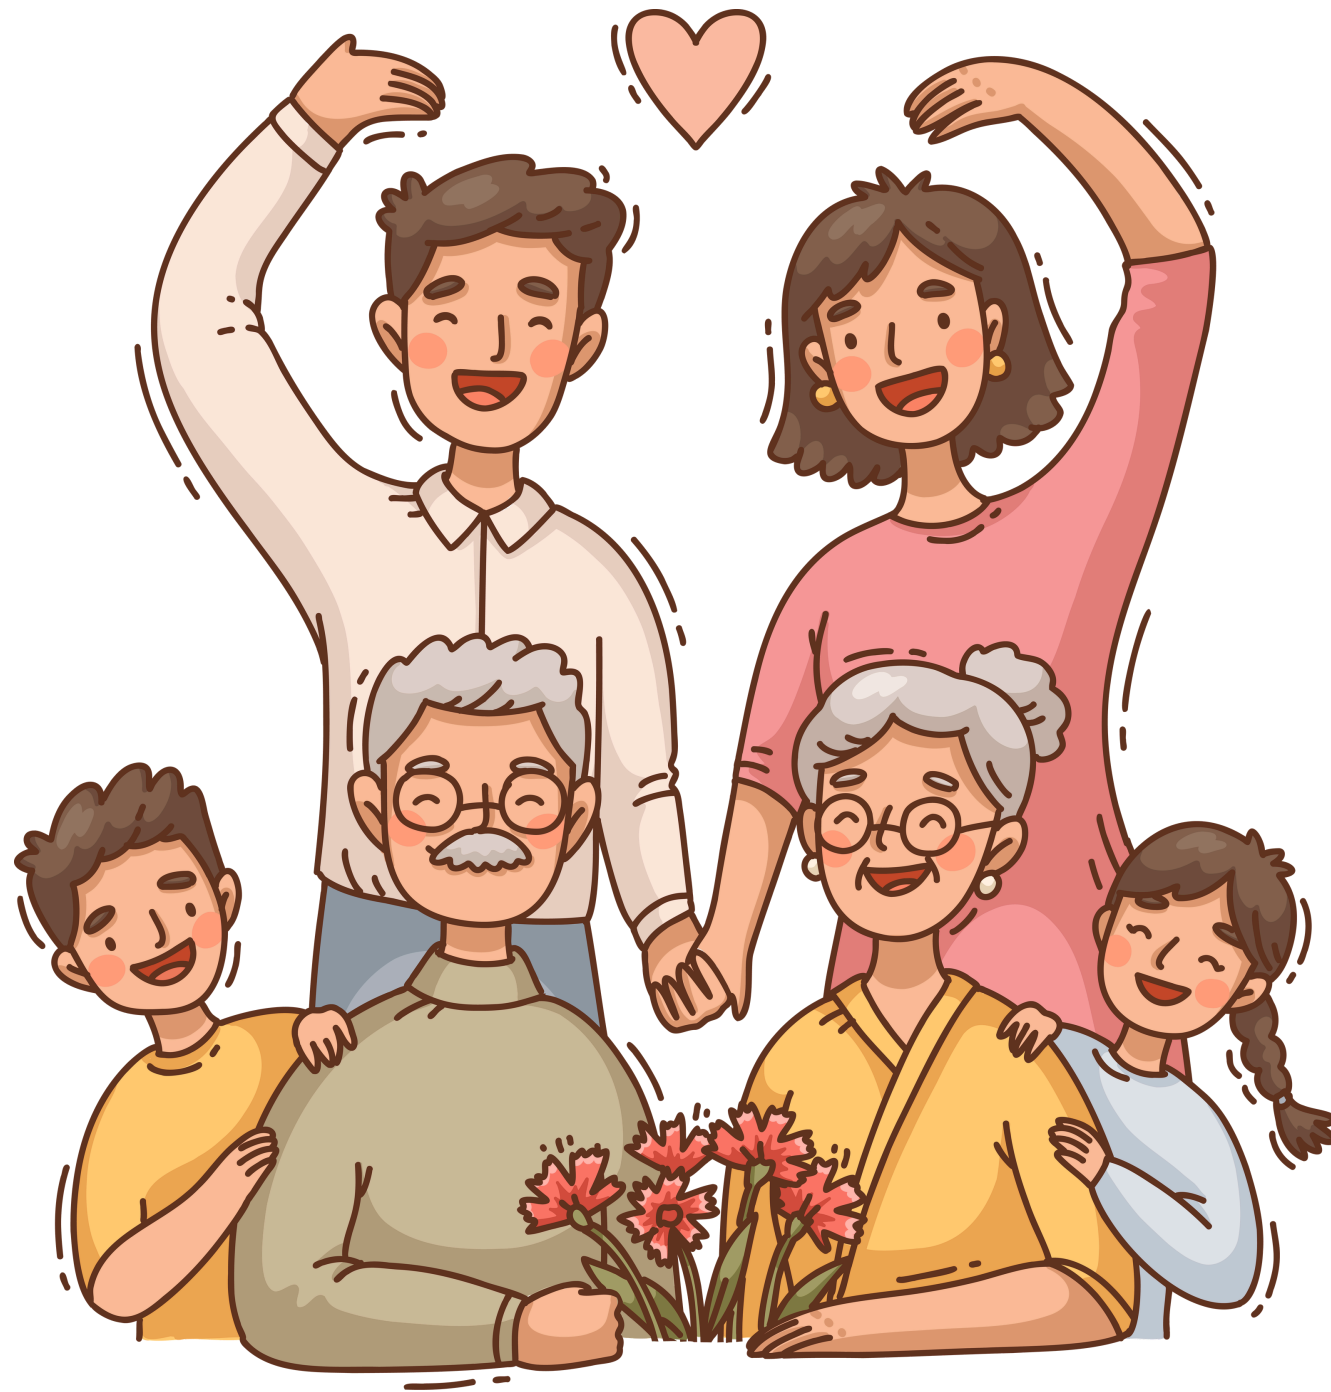

There are a lot of things I  
may do this summer.

On hot days, I might go  
swimming or play outside.

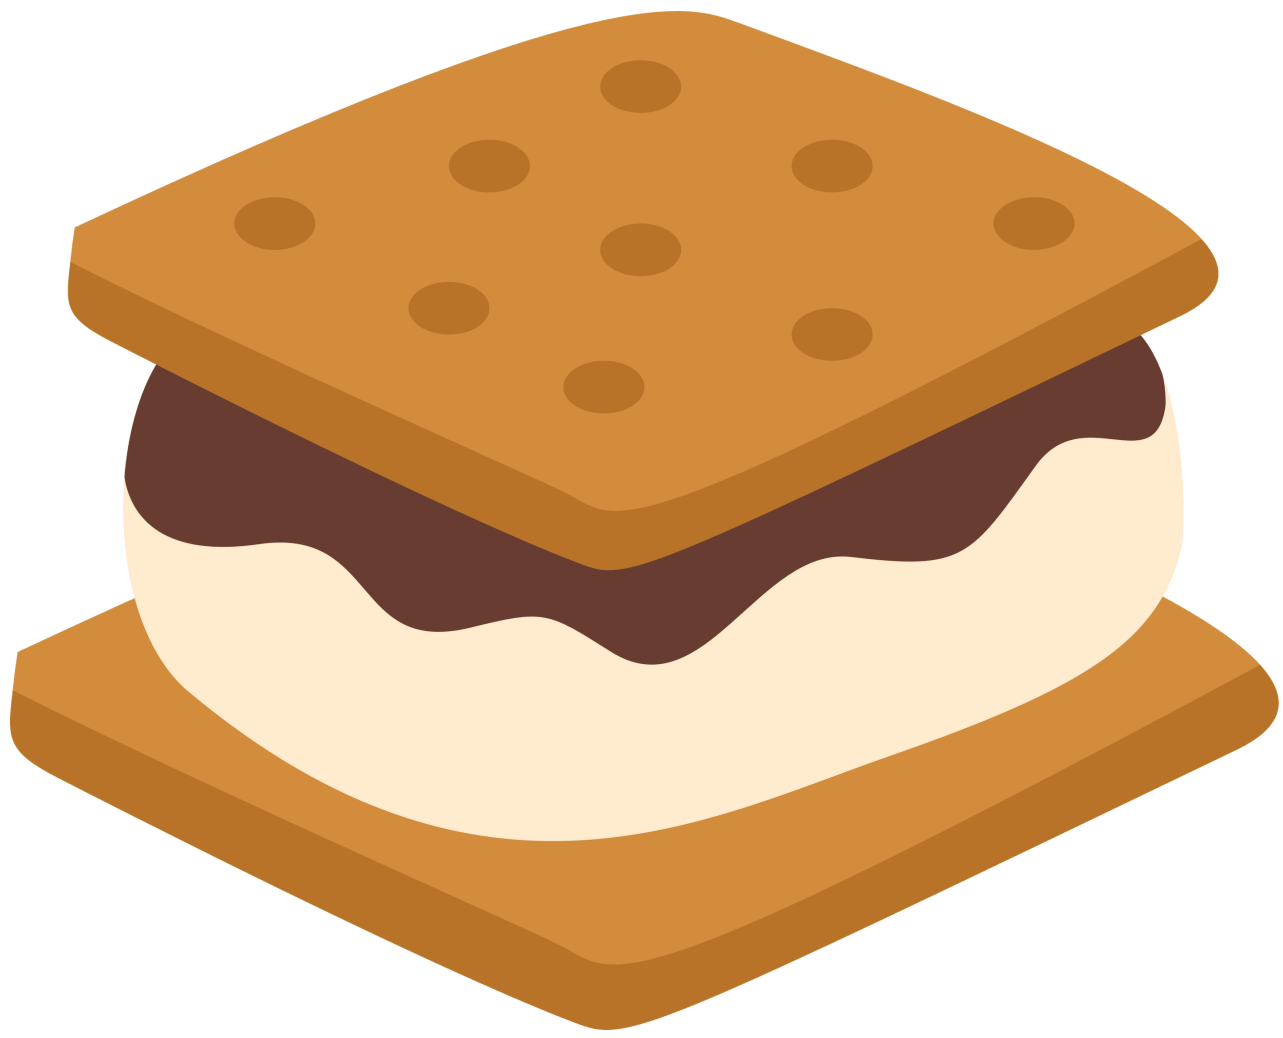

On rainy days, I might go  
visit family.

On special days, I might go to  
a museum or attend an  
exciting event.

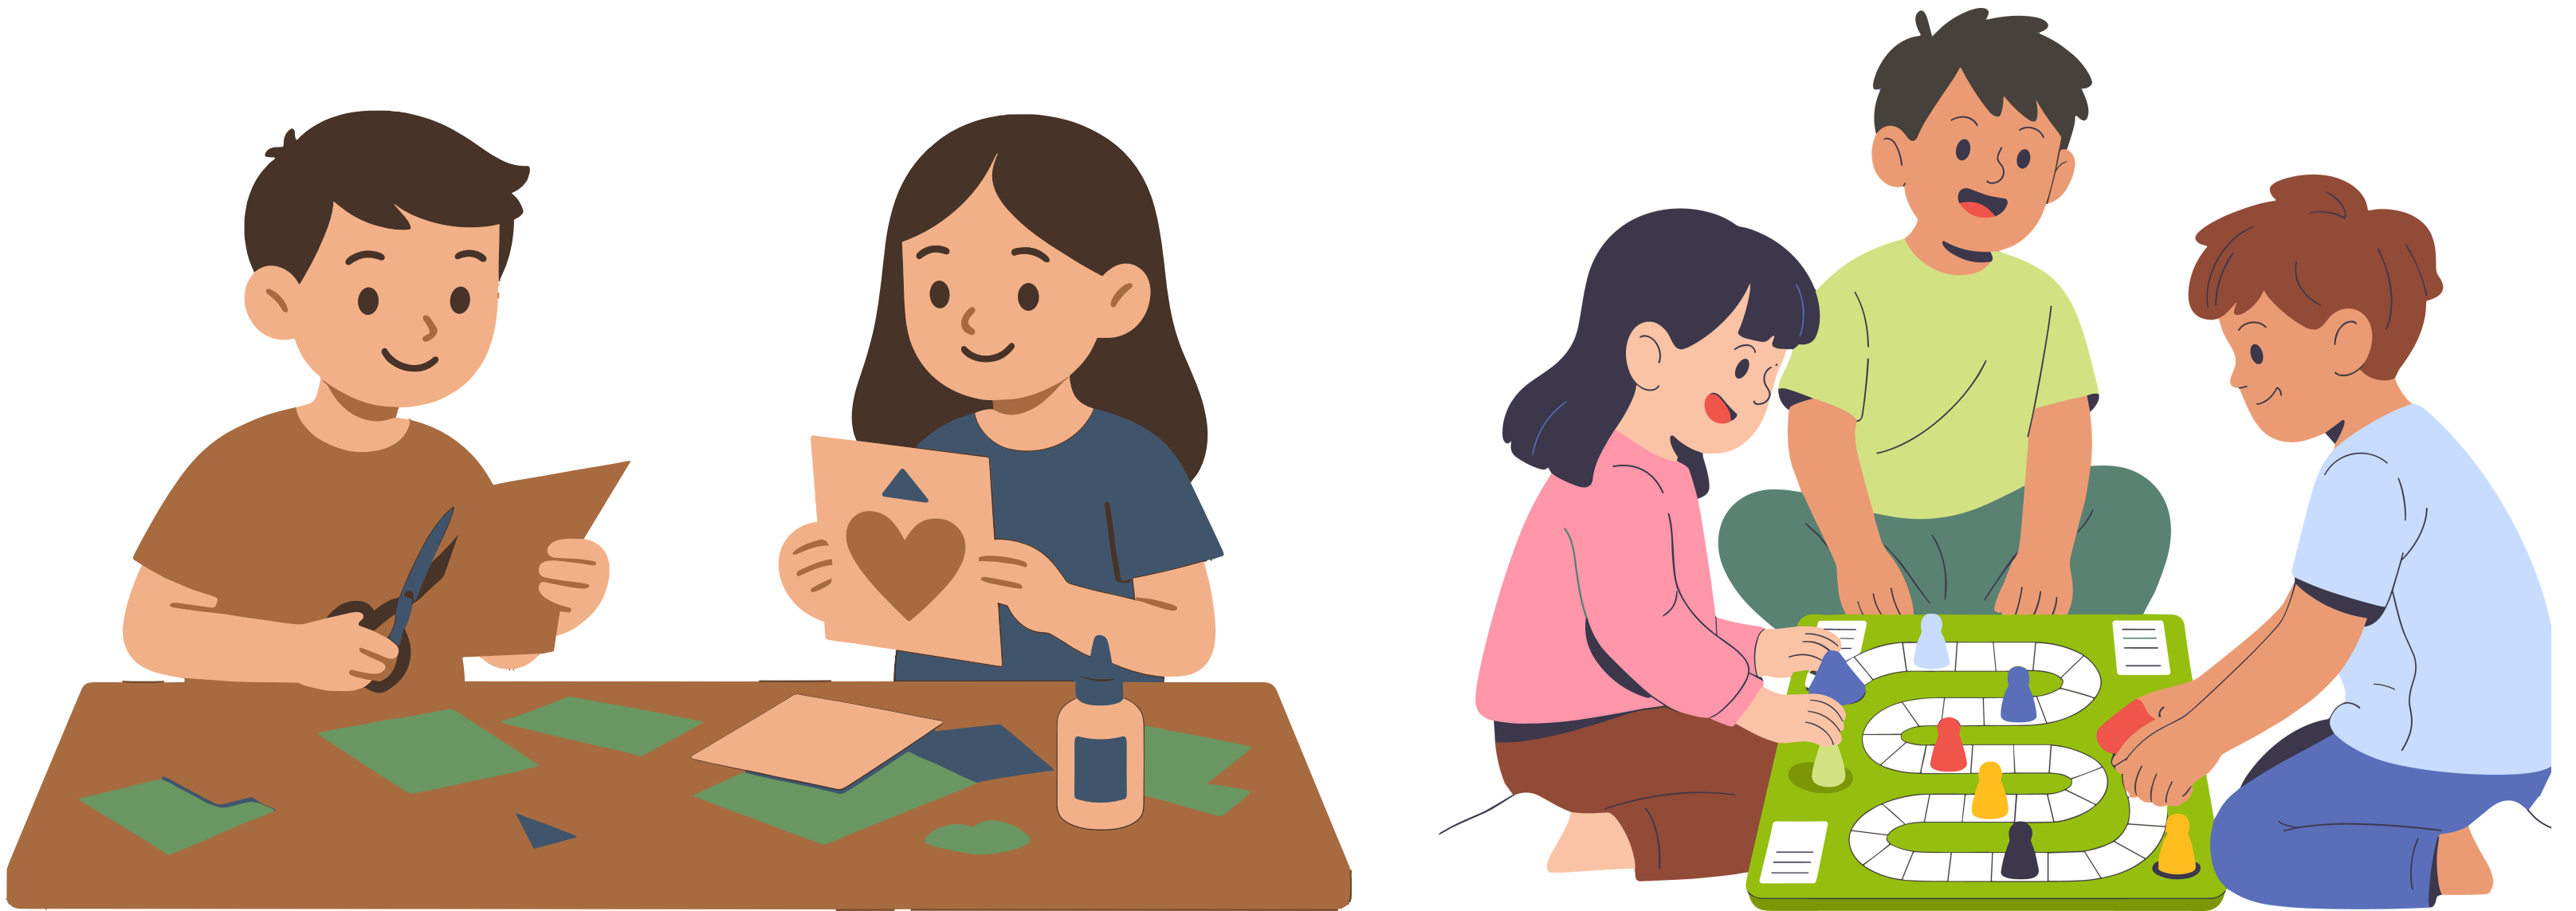

At nighttime, I might make s'mores or watch the stars.

Some days, I might help my parent go shopping.

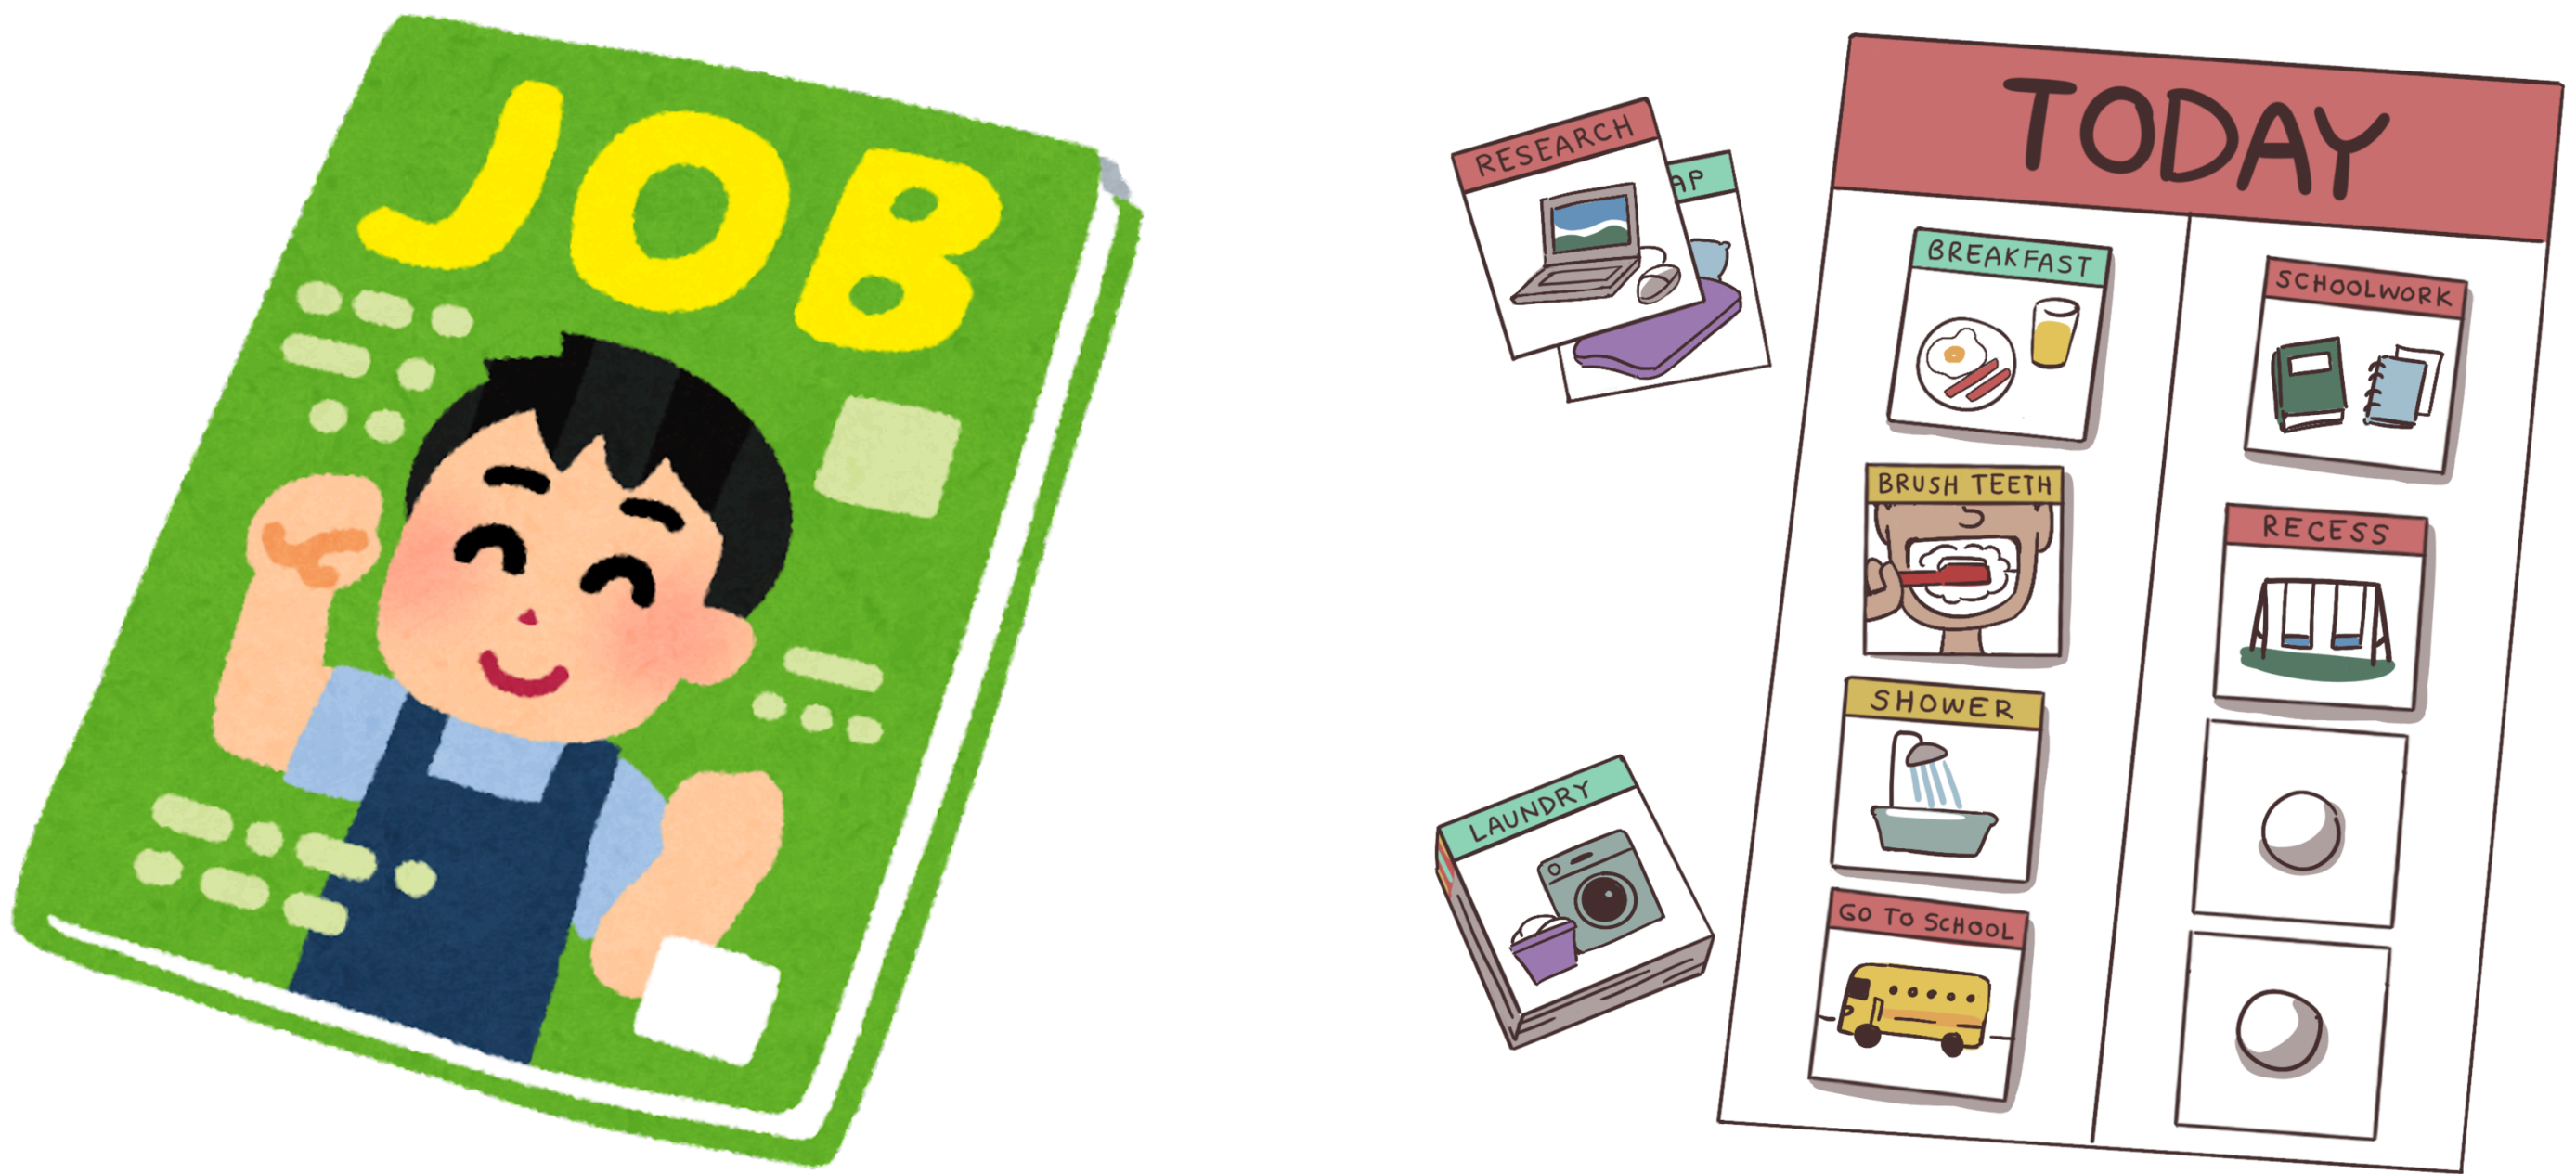

During the day, I might do  
crafts or play games.

Other days, I may help cook  
lunch or dinner.

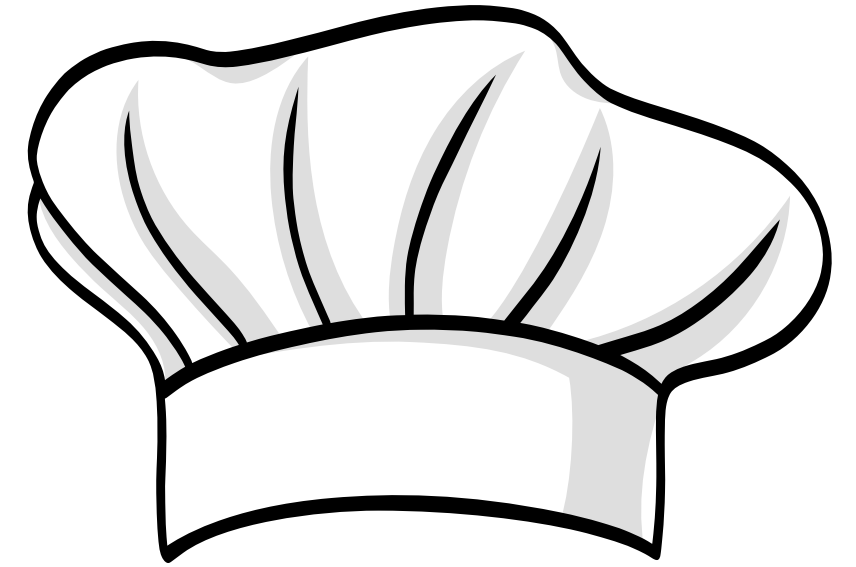

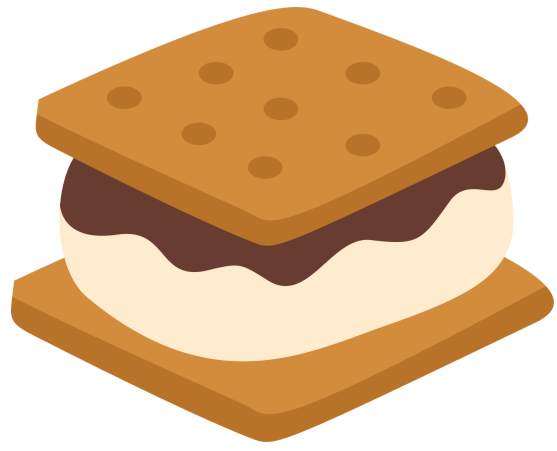

I may also have daily jobs to help my parents out at home.

I know I will have a great time this summer. I can't wait!

# Summer break will be filled with fun activities!

HAVE A GREAT  
SUMMER!
