

Under God

ICEBREAKER

What would be your go-to karaoke song and why?

CONTEXT

Our current series discusses Sphere Sovereignty, stating that Christ is sovereign over all spheres of life. This week we are focused on the individual and what it means to be image bearers who are called to live rightly in this world. Please refer to the questions for specific scripture references to read to help us understand this concept.

DISCUSS

- Read Genesis 1:26-28. How does the concept that God made us in His image with a purpose outlined by Him affect the way we view our lives and responsibilities?
- Do you view others as a people made in the image of God? What practical steps can you take to treat others with the respect and dignity they deserve as image bearers of God?
- What does it mean to be created to represent God and how can we display His glory and authority?
- Which areas of your life do you find it difficult to obey God, and how can you work on those areas to better represent Him?
- Read 1 Tim 6:11-15. How does self-governance play a role in living as an image bearer?

DISCUSS CONTINUED

- What actions or habits in your life might be hindering you from practicing self-governance, and how can you overcome them?
- Why is gospel proclamation and personal obedience important for societal change?
- Read Romans 12:1-2. Do you feel at odds with society and the world? Why should it be concerning if you do not feel at odds with the world?

PRAYER

- Pray for a renewed understanding of the Imago Dei in every person, so we will treat others with dignity and worth.
- Pray for courage to speak out against harm/injustice done to fellow humans, in alignment with God's character.
- Pray for a heart of obedience to accurately represent God's glory and authority in our daily lives.
- Pray for the development of self-governance, surrendering control to the Lordship of Jesus and seeking the Holy Spirit's help to live as image bearers.
- Pray for the Holy Spirit's transformation in our hearts, leading us to repentance and personal obedience to bring about positive change in families, churches, and societies.
